

Amendments No.1,³ No. 2,⁴ and No. 3,⁵ on December 18, 2003, March 15, 2004, and April 23, 2004, respectively. The proposed rule change, as amended, was published for comment in the **Federal Register** on May 19, 2004.⁶ The Commission received no comment letters on the proposal. This order approves the proposed rule change, as amended.

The Commission finds that the proposed rule change, as amended, is consistent with the requirements of the Act and the rules and regulations thereunder applicable to a national securities exchange⁷ and, in particular, the requirements of Section 6 and Section 15 of the Act.⁸ Specifically, Section 6(c)(3)(A) of the Act provides that a national securities exchange may deny membership to, or condition the membership of, a registered broker-dealer if any natural persons associated with the broker or dealer do not meet the standards of training, experience and competence as are prescribed by the rules of the exchange.⁹ Moreover, Section 15(b)(7)(C) of the Act provides that the Commission may rely on the registered securities associations and national securities exchanges to "require registered brokers and dealers and persons associated with such brokers and dealers to pass tests administered by or on behalf of any such association or exchange."¹⁰ To further the goals of Section 15(b)(7) of the Act, the Commission in 1993 adopted Rule 15b7-1,¹¹ which prohibits registered broker-dealers from effecting any transaction in, or inducing the purchase or sale of, any security unless any natural person associated with such broker or dealer who effects or is involved in effecting such transaction is registered or approved in accordance with the standards of training, experience, competence, and other

qualification standards (including but not limited to submitting and maintaining all required forms, paying all required fees and passing any required examinations) established by the rules of any national securities exchange of which such broker or dealer is a member.

The Commission believes that the Exchange should be able to maintain the integrity and competency of securities industry personnel in its market under the proposed rule change. The proposed rule change will extend the time period when a former member of the PCX or another self-regulatory organization ("SRO") may have taken an examination from two years to five years if the applicant has been a member of an SRO within six months of the application date for Exchange membership. In addition, the proposal allows the Membership Committee to waive the examination requirement if the Committee believes the applicant is qualified based upon the applicant's industry experience, the type of registration requested, the previous history of the applicant with the PCX and any other examinations the applicant has successfully completed that may be considered acceptable substitutes.

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,¹² that the proposed rule change and Amendments No. 1, 2, and 3 thereto (File No. SR-PCX-2003-51) are approved.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.¹³

Deputy Secretary.

system³ phase-in date. PCX Plus is the Exchange's electronic order delivery, execution and reporting system for designated option issues through which orders and Quotes with Size⁴ are consolidated for execution and/or display. The trading system includes an electronic communications network that enables registered Market Makers to enter orders/Quotes with Size and execute transactions from remote locations or the trading floor. As proposed, the Exchange seeks to extend the date by which it expects to have PCX Plus completely operative and applicable to all options issues from June 30, 2004 until December 31, 2004. The Exchange represents that this extension is warranted in order to afford the PCX sufficient time to address any capacity issues the system may have as a result of phasing in issues currently traded on the Exchange and adding new issues to be traded on the Exchange.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b)⁵ of the Act, in general, and furthers the objectives of Section 6(b)(5),⁶ in particular, in that it is designed to facilitate transactions in securities, to promote just and equitable principles of trade, to enhance competition and to protect investors and the public interest.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any inappropriate burden on competition that is not necessary in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

Written comments on the proposed rule change were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(iii) of the Act⁷ and subparagraph (f)(3) of Rule 19b-4⁸

thereunder because it is concerned solely with the administration of the Exchange. At any time within 60 days of the filing of such proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments
