Notice of Lodging of a Consent Decree Pursuant to The Clean Water Act

Notice is hereby given that a proposed Consent Decree in *United States of America and the State of Alabama v. The Board of Water and Sewer Commissioners of the City of Mobile, Alabama*, Civ. No. 02-0058-CB-S, and *Mobile Bay Watch, Inc. v. The Board of Water and Sewer Commissioners of the City of Mobile, Alabama*, Civ. No. CV-99-00595-CB-S, was lodged on January 24, 2002, with the United States District Court for the Southern District of Alabama.

The proposed Consent Decree would resolve certain claims under Sections 301 and 402 of the Clean Water Act, 33 U.S.C. 1251, *et seq.*, against the Board of Water and Sewer Commissioners of the City of Mobile, Alabama ("Board"), through the performance of injunctive measures, the payment of a civil penalty, and the performance of Supplemental Environmental Projects ("SEPs"). The proposed Consent Decree would release claims against the Board for performance of injunctive measures to remedy the alleged violations, and for penalties for the violations alleged in the complaints. To resolve these claims, the Board would perform the injunctive measures described in the proposed Consent Decree, including the implementation of a capacity assurance program, a grease control program, and a water quality monitoring program; would pay a civil penalty of \$114,000 (\$99,000 to the United States Treasury and \$15,000 to the State of Alabama); and would perform four SEPs valued at \$2.5 million collectively, including the installation of new private sewer laterals in low-income households within the
