

(c) Innovative efforts to reduce the shortage (including the high turnover) of highly competent teachers in high-poverty urban and rural areas.

Under 34 CFR 75.105(c)(2)(i) we award up to an additional 10 points to an application, depending on how well the application meets one or more of these priorities.

Special Funding Considerations: The program regulations (34 CFR part 611.3(c)) provide that when two or more applicants are ranked equally for the last available award, the Secretary selects the applicant whose activities will focus (or have most impact) on local educational agencies and schools located in one (or more) of the Nation's Empowerment Zones and Enterprise Communities.
