Calypso Pipeline, LLC, and Tractebel Calypso Pipeline, LLC; Notice of Filing
Take notice that on August 30, 2002, Calypso Pipeline, LLC (Calypso) and Tractebel Calypso Pipeline, LLC (Tractebel Calypso) jointly filed an amendment in the above-referenced dockets to reflect a change in ownership

associated with the applications filed on July 20, 2001, and September 19, 2001, by Calypso (Calypso Application) in the same docketed proceedings. The August 30, 2002 filing requests that the Commission accept a substitution of Tractebel Calypso as the applicant in the pending Calypso Application to reflect the change in ownership and the filed revisions to certain exhibits in the Calypso Application. These revisions reflect only a change in ownership. The application is on file with the Commission and open to public inspection. This filing is available for review at the Commission in the Public Reference Room or may be viewed on the Commission's Web site at <http://www.ferc.gov> using the "FERRIS" link. Enter the docket number excluding the last three digits in the docket number field to access the document. For assistance, call (202) 502-8222 or for TTY, (202) 208-1659.

By the Calypso Application, Calypso requests authorization to construct, own, and operate a new pipeline system consisting of approximately a 36 mile, 24-inch offshore segment and approximately a 5.8 mile, 24-inch onshore segment (Calypso Pipeline Project). The offshore pipeline will extend from the boundary of the U.S. Exclusive Economic Zone (EEZ) and the Bahama EEZ, off the southeast Florida coastline to shore at Port Everglades in Fort Lauderdale, Florida. The proposed onshore pipeline segment will be located in Broward County, Florida. The onshore pipeline segment will connect the offshore pipeline with Florida Gas Transmission Company's ("FGT") existing 24-inch Lauderdale Lateral at Mile Post 1.6 in Broward County, Florida. Calypso's proposed pipeline was designed to transport up to 832,000 MMBtu per day.

Calypso and Tractebel Calypso have executed a Purchase and Sale Agreement (PSA) for the Calypso Pipeline Project. Per the PSA, Tractebel Calypso will acquire the assets related to the Calypso Pipeline Project. Those assets consist principally of the Calypso Application; the Enron LNG Marketing, LLC Precedent Agreement; and various other surveys, permits, easements, and rights-of-way applications and engineering work product. The sale of the Calypso Pipeline Project to Tractebel Calypso ultimately is subject to the approval of the Bankruptcy Court. Tractebel Calypso will then notify the Commission of the closing of the transaction, and will thereafter be considered the applicant of record under the Calypso Application, with all the rights and responsibilities attached to such status.
