## SCIENCE AND TECHNOLOGY POLICY OFFICE

### Federal Flood Standard Support Website and Tool Beta Version; Extension of Comment Period

**AGENCY:** White House Office of Science and Technology Policy (OSTP)

**ACTION:** Notice of extension of comment period.

**SUMMARY:** On April 11, 2024, the Office of Science and Technology Policy (OSTP) published in the **Federal Register** a document entitled “Notice of Availability and Request for Comments; Federal Flood Standard Support Website and Tool Beta Version.” This Notice of Availability and Request for Comments invited comments to OSTP on the beta version of the Federal Flood Standard Support website (available at <http://floodstandard.climate.gov>) and the Federal Flood Standard Support Tool (available at <http://floodstandard.climate.gov/tool>) to assist Federal agencies and applicants or recipients of Federal financial assistance in the implementation of the Federal Flood Risk Management Standard (FFRMS). In response to requests by prospective commenters that they would benefit from additional time to adequately consider and respond to the Request for Comments, OSTP has determined that an extension of the comment period until June 18, 2024 is appropriate.

**DATES:** The end of the comment period for the document entitled “Notice of Availability and Request for Comments; Federal Flood Standard Support Website and Tool Beta Version,” published on April 11, 2024 (89 FR 25674), is extended from May 28, 2024 to June 18, 2024.

**ADDRESSES:** Interested individuals and organizations should submit comments electronically via to <https://www.regulations.gov>. Due to time constraints, mailed paper submissions will not be accepted, and electronic submissions received after the deadline

may not be incorporated or taken into consideration.

**Instructions: Federal eRulemaking Portal:** Go to <https://www.regulations.gov> to submit your comments electronically. Information on how to use *Regulations.gov*, including instructions for accessing agency documents, submitting comments, and viewing the docket, is available on the site under “FAQ” (<https://www.regulations.gov/faq>).

**Privacy Note:** OSTP’s policy is to make all appropriate comments received from members of the public available for public viewing in their entirety on the Federal eRulemaking Portal at <https://www.regulations.gov/>. Therefore, commenters should be careful to include in their comments only information that they wish to make publicly available. OSTP requests that no proprietary information, copyrighted information, or personally identifiable information be submitted in response to this notice of availability and request for comments.

Information obtained from this Request for Comments (89 FR 25674) may be used by the Government on a non-attribution basis for planning and strategy development. OSTP will not respond to individual submissions. A response to this Request for Comments (89 FR 25674) will not be viewed as a binding commitment to develop or pursue the project or ideas discussed. This Request for Comments (89 FR 25674) is not accepting applications for financial assistance or financial incentives.

Responses containing references, studies, research, and other empirical data that are not widely published should include copies of or electronic links to the referenced materials. Responses from minors, or responses containing profanity, vulgarity, threats, or other inappropriate language or content will not be considered.

Comments submitted in response to this notice are subject to the Freedom of Information Act (FOIA). Responses to this Request for Comments (89 FR 25674) may be posted without change online. Please note that the United States Government will not pay for response preparation, or for the use of any information contained in a response.

**FOR FURTHER INFORMATION CONTACT:** For additional information, please direct questions to Dr. Kristin Ludwig, OSTP Assistant Director for Resilience Science and Technology, at [FederalFloodStandardTool@ostp.eop.gov](mailto:FederalFloodStandardTool@ostp.eop.gov) or (202) 881–7711.

**SUPPLEMENTARY INFORMATION:** The Federal Government is developing multiple resources to support Federal agencies and applicants or recipients of Federal financial assistance in the implementation of the Federal Flood Risk Management Standard (FFRMS, established by Executive Order 13690 and reinstated by Executive Order 14030). These resources include the Federal Flood Standard Support website and the Federal Flood Standard Support Tool. On April 11, 2024, OSTP published in the **Federal Register** a document (89 FR 25674) inviting comments on the beta version of the Federal Flood Standard Support website (available at <http://floodstandard.climate.gov>) and the Federal Flood Standard Support Tool (available at <http://floodstandard.climate.gov/tool>). The Request for Comments was issued to seek input on these resources, in particular (a) feedback on the functionality of the Federal Flood Standard Support Tool in providing a user-friendly visual representation and actionable information on FFRMS approaches for federally funded projects; (b) insights on potential training and/or technical assistance needs associated with use of the Federal Flood Standard Support Tool; and (c) suggestions for clarifying the communication of the flood mapping data development methodology. The document stated that the comment period would close on May 28, 2024. OSTP has received requests to extend the comment period. An extension of the comment period will provide additional opportunity for the public to consider the Request for Comments and prepare comments to address the topics listed therein. Therefore, OSTP is extending the end of the comment period for the Request for Comments from May 28, 2024 to June 18, 2024.

Dated: May 28, 2024.

## SECURITIES AND EXCHANGE COMMISSION

[SEC File No. 270–669, OMB Control No. 3235–0749]

**Submission for OMB Review; Comment Request; Extension: Rule 18a–7**

*Upon Written Request, Copies Available From:* Securities and Exchange Commission, Office of FOIA Services,

100 F Street NE, Washington, DC 20549-2736

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (“PRA”) (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (“Commission”) has submitted to the Office of Management and Budget (“OMB”) a request for approval of extension of the previously approved collection of information provided for in Rule 18a-7, under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*).

Rule 18a-7 establishes reporting requirements applicable to stand-alone security-based swap dealers (“SBSBs”), stand-alone major security-based swap participants (“MSBSPs”), bank SBSBs, and bank MSBSPs. Rule 18a-7 is modeled on Exchange Act Rule 17a-5, which applies to broker-dealers, but Rule 18a-7 does not include a parallel requirement for every requirement in Rule 17a-5 because some of the requirements in Rule 17a-5 relate to activities that are not expected or permitted of SBSBs and MSBSPs.

Under Rule 18a-7, stand-alone SBSBs and stand-alone MSBSPs are required to file the FOCUS Report Part II and the annual reports, while bank SBSBs and bank MSBSPs are required to file the FOCUS Report Part IIC. Stand-alone SBSBs and stand-alone MSBSPs are required to file the FOCUS Report Part II on a monthly basis, whereas bank SBSBs and bank MSBSPs are required to file FOCUS Report Part IIC on a quarterly basis. Moreover, under Rule 18a-7 stand-alone SBSBs and stand-alone MSBSPs are required to make available to customers an audited statement of financial condition with appropriate notes on their public website.

The Commission estimates that the total hour burden under Rule 18a-7 is approximately 2,796 hours per year, and the total cost burden is approximately \$2,424,016 per year.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information under the PRA unless it displays a currently valid OMB control number.

The public may view background documentation for this information collection at the following website: [www.reginfo.gov](http://www.reginfo.gov). Find this particular information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function. Written comments and recommendations for the proposed information collection should be sent by July 1, 2024 to (i) [www.reginfo.gov/public/do/PRAMain](http://www.reginfo.gov/public/do/PRAMain) and (ii) David

Bottom, Director/Chief Information Officer, Securities and Exchange Commission, c/o John Pezzullo, 100 F Street NE, Washington, DC 20549, or by sending an email to: [PRA\\_Mailbox@sec.gov](mailto:PRA_Mailbox@sec.gov).

Dated: May 28, 2024.
