

Frequency of Collection: On occasion.

Affected Public: Private sector; State, local, and tribal governments; Academia; Non-profit organizations.

Respondent Obligation: Voluntary (necessary to receive benefits).

Estimated Number and Description of Respondents: We expect to receive approximately 80 proposals during the grant application process. We anticipate issuing 25 grants per year. The program is open to State, local and tribal governments, academia, and commercial and non-profit organizations.

Estimated Number of Responses: Approximately 80 applications and 50 reports per year.

Estimated Completion Time per Response: Based on comments received during the FR Notice 60 day comment period, we have adjusted our original burden request by 7 hours from 18 to 25 hours per respondent. We expect to receive approximately 80 applications, taking each applicant approximately 25 hours to complete, totaling 2,000 burden hours. We anticipate awarding an average of 25 grants per year. The 25 award recipients are required to submit 2 reports: an interim 6 months after the start of the project and a final report on or before 90 working days after the expiration of the agreement. We estimate that it will take approximately 5 hours to complete and submit the reports totaling 250 hours. Therefore, the annual burden for report preparation is 250 hours. We estimate that the total burden for this collection will be 2,250 hours.

Annual Burden Hours: 2,250.

Estimated Reporting and Recordkeeping "Non-Hour Cost" Burden: We have not identified any "non-hour cost" burdens associated with this collection of information.

SUPPLEMENTARY INFORMATION:

I. Abstract

The *Source Directory* of American Indian and Alaska Native owned and operated arts and crafts enterprises is a program of the Indian Arts and Crafts Board that promotes American Indian and Alaska Native arts and crafts. The *Source Directory* is a listing of American Indian and Alaska Native owned and operated arts and crafts businesses that may be accessed by the public on the Indian Arts and Crafts Board's Web site <http://www.iacb.doi.gov>.

The service of being listed in this directory is provided free-of-charge to members of federally recognized tribes. Businesses listed in the *Source Directory* include American Indian and Alaska Native artists and craftspeople, cooperatives, tribal arts and crafts enterprises, businesses privately-owned-and-operated by American Indian and Alaska Native artists, designers, and craftspeople, and businesses privately owned-and-operated by American Indian and Alaska Native merchants who retail and/or wholesale authentic Indian and Alaska Native arts and crafts. Business listings in the *Source Directory* are arranged alphabetically by State.

The Director of the Board uses this information to determine whether an individual or business applying to be listed in the *Source Directory* meets the requirements for listing. The approved

application will be printed in the *Source Directory*. The *Source Directory* is updated annually to include new businesses and to update existing information.

II. Method of Collection

To be listed in the *Source Directory*, interested individuals and businesses must submit: (1) A draft of their business information in a format like the

other *Source Directory* listings, (2) a copy of the individual's or business owner's tribal enrollment card; and for businesses, proof that the business is organized under tribal, state, or federal law; and (3) a certification that the business is an American Indian or Alaska Native owned and operated cooperative, tribal enterprise, or nonprofit organization, or that the owner of the enterprise is an enrolled

member of a federally recognized American Indian Tribe or Alaska Native group.

The following information is collected in a single-page form that is distributed by the Indian Arts and Crafts Board. Although listing in the *Source Directory* is voluntary, submission of this information is required for inclusion in the *Directory*.

The proposed use of the information: The information collected will be used by the Indian Arts and Crafts Board:

(a) To determine whether an individual or business meets the eligibility requirements for inclusion in the *Source Directory*, i.e., whether they are either an American Indian or Alaska Native owned and operated cooperative, tribal enterprise, or nonprofit organization, or an enrolled member of a federally recognized American Indian Tribe or Alaska Native group; and

(b) To identify the applicant's business information to be printed in the *Source Directory*.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid Office of Management and Budget control number. The IACB has submitted a request to OMB to renew its approval of this information collection for an additional three years. There are four types of application forms: (1) New businesses—group; (2) new businesses—individual; (3) businesses already listed—group; and (4) businesses already listed—individual. Each respondent will only be asked to complete one application form.

As required under 5 CFR 1320.8(d), a **Federal Register** notice soliciting comments on the collection of information was published on May 19, 2008 (73 FR 28836). No comments were received. This notice provides the public with an additional 30 days in which to comment on the following information collection activity.
