

with respect to their exports of wooden bedroom furniture.

On August 17, 2006, the Pension Protection Act of 2006 (H.R. 4) was signed into law. Section 1632 of H.R. 4 temporarily suspends the authority of the Department to instruct U.S. Customs and Border Protection to collect a bond or other security in lieu of a cash deposit in new shipper reviews. Therefore, the posting of a bond or other security under section 751(a)(2)(B)(iii) of the Act in lieu of a cash deposit is not available in this case. Importers of wooden bedroom furniture 1) produced by Zhangzhou XYM and exported by Golden Well, or 2) produced and exported by Sunshine must continue to post cash deposits of estimated antidumping duties on each entry of subject merchandise (*i.e.*, wooden bedroom furniture) at the PRC-wide entity rate of 216.01 percent.

Interested parties that need access to proprietary information in this new shipper review should submit applications for disclosure under administrative protective order in accordance with 19 CFR 351.305 and 351.306.

This initiation and notice are issued in accordance with section 751(a)(2)(B) of the Act and 19 CFR 351.214 and 351.221(c)(1)(i).

Dated: February 29, 2008.

**Stephen J. Claeys,**

*Deputy Assistant Secretary for Import Administration.*

### National Institute of Standards and Technology

#### Public Safety Voice Over Internet Protocol (VoIP) Roundtable for Organizations Interested in Utilization of VoIP for Communication Between Public Safety Personnel

**AGENCY:** National Institute of Standards and Technology, Department of Commerce.

**ACTION:** Notice of Public Workshop.

**SUMMARY:** The Office of Law Enforcement Standards (OLES), in cooperation with the Department of Homeland Security's Office of Interoperability and Compatibility (DHS/OIC) and representatives of the public safety community, will hold a public working group on April 7-11, 2008, at the Institute for Telecommunication Sciences (ITS) in Boulder, CO. The purpose of the first

three days of the meeting (April 7-10, 2008) is to bring manufacturers together to establish Voice over IP (VoIP) connectivity between radio communication system bridging devices. The purpose of the last two days of the working group is to discuss the development of an enhanced implementation profile for VoIP between radio system bridging solutions. The results of this and subsequent roundtable discussions will be used in the development of specific implementation profiles for VoIP usage in public-safety owned systems.

There is no charge for the roundtable; however, because of meeting room restrictions, advance registration is mandatory and limited to three representatives from any one organization. There will be no on-site, same-day registration. The registration deadline is April 1, 2008. Please note registration and admittance instructions and other additional information under the **SUPPLEMENTARY INFORMATION** section of this notice.

**DATES:** The workshop will be held on April 7-10, 2008, from 8:30 a.m. until 5 p.m. MT, and April 11, 2008 from 8:30 a.m. until Noon.

**ADDRESSES:** The roundtable will be held in the Radio Building (Building 1), Room 1103/1105/1107, 325 Broadway, Boulder, CO 80305.

#### FOR FURTHER INFORMATION CONTACT:

Dereck Orr, (303) 497-5400, e-mail: [dereck.orr@nist.gov](mailto:dereck.orr@nist.gov). The mailing address is 325 Broadway, Mail Stop ITS.P, Boulder, CO 80305. Information regarding OLES can be viewed at <http://www.eeel.nist.gov/oles/>. Information regarding DHS/OIC can be viewed at <http://www.safecomprogram.gov>. Information regarding ITS can be viewed at <http://www.its.bldrdoc.gov>.

**SUPPLEMENTARY INFORMATION:** In response to a request from the U.S. Department of Homeland Security (DHS), Science and Technology Directorate (S&T), Command, Control and Interoperability Division (CCI), Office of Interoperability and Compatibility (OIC), the NIST Office of Law Enforcement Standards (OLES) is developing protocol implementation profiles for VoIP communications between public safety personnel.

The request from OIC germinated from practitioner-raised issues related to VoIP-enabled solutions being marketed to the public safety community as an "interoperability solution," yet these solutions will not interoperate with VoIP-enabled solutions from other manufacturers making the same claim. The proper way to address this situation

is to develop a protocol implementation profile (or set of profiles) that contains the minimum standards, parameters and values necessary to ensure that solutions developed by independent organizations will interoperate with each other. This roundtable discussion is intended to lead to the development of a protocol implementation profile for VoIP-enabled radio system bridging solutions.

Anyone wishing to attend this meeting must register by close of business April 1, 2008, in order to attend. Please submit your name, time of arrival, e-mail address and phone number to Ms. Kathy Mayeda and she will provide you with logistics information for the meeting. Ms. Mayeda's e-mail address is [kmayeda@its.bldrdoc.gov](mailto:kmayeda@its.bldrdoc.gov) and her phone number is (303) 497-5890.

All attendees are required to submit their name, time of arrival, e-mail address and phone number to Ms. Mayeda. Non-U.S. citizens must also submit their country of citizenship, title, employer/sponsor and address.

Dated: February 29, 2008.

**Richard F. Kayser,**

*Acting Deputy Director.*

### National Oceanic and Atmospheric Administration

RIN 0648-AV80

#### Fisheries of the Caribbean, Gulf of Mexico, and South Atlantic; Reef Fish Fishery of the Gulf of Mexico; Environmental Assessment for Amendment 30B

**AGENCY:** National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

**ACTION:** Notice announcing the preparation of an environmental assessment (EA).

**SUMMARY:** NMFS, in cooperation with the Gulf of Mexico Fishery Management Council (Council), is preparing an EA in accordance with the National Environmental Policy Act (NEPA) for Amendment 30B to the Fishery Management Plan (FMP) for the Reef Fish Resources of the Gulf of Mexico. This notice is intended to inform the public of the change from the preparation of a draft environmental impact statement (EIS) to an EA for Amendment 30B.
