SUPPLEMENTARY INFORMATION: The purpose of the Regional Catastrophic Preparedness Grant Program (RCPGP) is to enhance catastrophic incident preparedness in Tier 1 and selected Tier 2 Urban Areas. RCPGP is intended to support coordination of regional all-hazard planning for catastrophic events, including the development of integrated planning communities, plans, protocols, and procedures to manage a catastrophic event. The RCPGP is authorized by Title III of the Department of Homeland Security Appropriations Act, 2013 (Pub. L. 113-6).

The RCPGP information is to be used to produce improved catastrophic plans

and planning processes by the states and local jurisdictions involved. Specifically, the plans and planning must address shortcomings in existing plans to address regional catastrophic planning issues, including the establishment of a regional network of plans to address catastrophic events. Plans will include a process for establishing an incident command structure and will also identify roles and responsibilities for each organization. Additionally, plans will identify detailed resource, personnel, and asset allocations in order to execute strategic objectives and translate strategic priorities into operational execution. These plans should apply existing capabilities and assist in assessing gaps in needed capabilities.
