

earned the minimum amount of self-employment income (SEI) in a current year. SSA uses Form SSA-766, Statement of Self-Employment Income, to collect the information we need to determine if the individual will have at least the minimum amount of SEI

needed for one or more quarters of coverage in the current year. Based on the information we obtain, we may credit additional quarters of coverage to give the individual insured status thus expediting benefit payments.

Respondents are self-employed individuals who may be eligible for Social Security benefits.

3. Request for Workers' Compensation/Public Disability Benefit Information—20 CFR 404.408(e)—0960-0098. Claimants for Social Security disability payments who are also receiving Worker's Compensation/Public Disability Benefits (WC/PDB) must notify SSA about their WC/PDB, so the agency can reduce claimants' Social Security disability payments accordingly. If claimants provide necessary evidence, such as a copy of

their award notice, benefit check, etc., that is sufficient verification. In cases where claimants cannot provide such evidence, SSA uses Form SSA-1709. The entity paying the WC/PDB benefits, its agent (such as an insurance carrier), or an administering public agency complete this form. The respondents are Federal, State, and local agencies, insurance carriers, and public or private self-insured companies administering

WC/PDB benefits to disability claimants.

This is a correction notice. SSA published this information collection as a revision on February 23, 2015 at 80 FR 9500. Since we are not revising the Privacy Act Statement, this is now an extension of an OMB-approved information collection.
