During the closed session, the Executive Committee will receive and discuss cost estimates and implications for implementing NAEP's Assessment Schedule for 2014–2024. This meeting must be conducted in closed session because public disclosure of this information would likely have an

adverse financial effect on the NAEP program by providing confidential cost details and proprietary contract costs of current contractors to the public. Discussion of this information would be likely to significantly impede implementation of a proposed agency action if conducted in open session. Such matters are protected by exemption 9(B) of section 552b of Title 5 U.S.C.

On November 20, 2015, the Full Board will meet in open session from 8:30 a.m. to 9:45 a.m. The Board will review and approve the November 19–21, 2015 Board meeting agenda and meeting minutes from the August 2015 Quarterly Board meeting. This meeting is being conducted in closed session because the TEL results are embargoed and have not been released to the public. Public disclosure of the secure data would significantly impede implementation of the NAEP assessment program if conducted in open session. Such matters are protected by exemption 9(B) of section 552b of Title 5 U.S.C.

The ADC will meet in open session from 11:00 a.m. to 11:30 a.m. to receive a briefing on NAEP digital-based assessments. From 11:30 a.m. to 12:30 p.m. the ADC will meet in closed session to receive a briefing on in-depth analyses of the 2015 Reading and Mathematics results at grades 4 and 8. This meeting must be closed because the briefing will include secure NAEP items from reading and math test results at grades 4 and 8. Public disclosure of
