Proposed Collection Title: Collection of Grants and Contracts data the Historically Black Colleges and Universities and small businesses may be interested in pursuing, 0925-0767, exp., date, 01/31/2024 Extension, Office of the Director, Office of Acquisitions and Logistics Management, Small Business Program Office, National Institutes of Health.

Need and Use of Information Collection: Presidential Executive Order 13779 is the White House Initiative to Promote Excellence and Innovation at Historically Black Colleges and Universities (HBCUs). Through this initiative, Federal agencies were mandated to assist in strengthening HBCUs' ability for equitable participation in Federal programs and explore new ways to improve the relationship between the Federal Government and HBCUs. This initiative has established how the agency intends to increase the capacity of HBCUs to compete effectively for grants and contracts.

The Path to Excellence and Innovation was a comprehensive plan to expand the existing National Institutes of Health (NIH) Small Business Program in the Office of Acquisition and Logistics Management. The Path to Excellence provided a platform for increased transparency between HBCUs and the Federal Government through the provision of outreach events, training opportunities, and one-on-one assistance. There were nineteen schools and each school had chosen one or more small business teaming partner(s) to support their effort in this program. Through the collection of this information, the NIH Small Business Program Office will gain insight into what government grants and contracts are of interest to HBCUs and small businesses. This information has supported the initiative to help HBCUs and small businesses because this tool aids them to be more knowledgeable about what opportunities regarding grants and contracts exist for their organization.

Office of Management and Budget approval is requested for a 3-year extension. There are no costs to respondents other than their time. The total estimated annualized burden hours are 108.

Dated: October 19, 2023.
