- (1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency/component, including whether the information will have practical utility;
- (2) Evaluate the accuracy of the agency's/component's estimate of the burden of the proposed collection of the information, including the validity of the methodology and assumptions used;

Overview of This Information

1. *Type of Information Collection:* Approval of reinstated collection.
2. *Title of the Forms:*
FBI National Academy Level 1 Evaluation: Student Course Questionnaire
FBI National Academy: General Remarks Questionnaire.
3. *Agency Form Number, if any, and the applicable component of the department sponsoring the collection:*

Form Number: OMB Number 1110–0050.

Sponsor: Training Division of the Federal Bureau of Investigation (FBI), Department of Justice (DOJ).

4. *Affected Public who will be asked or required to respond, as well as a brief abstract:*

Primary: FBI National Academy students that represent state and local police and sheriffs' departments, military police organizations, and federal law enforcement agencies from the United States and over 150 foreign nations.

Brief Abstract: This collection is requested by FBI National Academy. These surveys have been developed to measure the effectiveness of services that the FBI National Academy provides. We will utilize the students' comments to improve upon the current curriculum.

5. *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:*

Approximately 1,040 FBI National Academy students per year will respond to two types of questionnaires. (1) FBI National Academy Level 1 Evaluation: Student Course Questionnaire and (2) FBI National Academy: General Remarks Questionnaire. It is predicted that we will receive a 75% response rate for both surveys.

Each student will respond to approximately six to seven Student Course Questionnaires—one for each class they have completed. The average time for reading the directions to each questionnaire is estimated to be 2 minutes; the time to complete each questionnaire is estimated to be approximately 20 minutes. Thus the total time to complete the Student Course Questionnaire is 22 minutes. For the FBI National Academy: General Remarks Questionnaire, student will respond to one questionnaire. The average time for reading the directions to this questionnaire is estimated to be 2 minutes; the time to complete each questionnaire is estimated to be approximately 10 minutes. Thus the total time to complete the General Remarks Questionnaire is 12 minutes. The total hour burden for both surveys is 2,080 hours.

6. *An estimate of the total public burden (in hours) associated with the collection:* The average hour burden for completing all the surveys combined is 2,080 hours.
