5 CFR Part 532

RIN 3206–AN17

Prevailing Rate Systems; Special Wage  
Schedules for U.S. Army Corps of  
Engineers Flood Control Employees of  
the Vicksburg District in Mississippi

**AGENCY:** U.S. Office of Personnel  
Management.

**ACTION:** Proposed rule with request for  
comments.

**SUMMARY:** The U.S. Office of Personnel  
Management (OPM) is issuing a  
proposed rule to establish special wage  
schedules specific to nonsupervisory,

leader, and supervisory wage employees  
of the U.S. Army Corps of Engineers  
(USACE) who work at flood control  
dams (also known as reservoir projects)  
at the Vicksburg District of the  
Mississippi Valley Division. The four  
lakes of the District are currently in two  
separate wage areas. The Department of  
Defense (DOD) would be assigned lead  
agency responsibility for establishing  
and issuing these special wage  
schedules. The special wage schedules  
would be established at the same time  
and with rates identical to the Memphis,  
TN, appropriated fund Federal Wage  
System (FWS) wage schedule.

**DATES:** We must receive comments on or  
before July 6, 2015.

**SUPPLEMENTARY INFORMATION:** OPM is  
issuing a proposed rule to establish  
special wage schedules for USACE  
nonsupervisory, leader, and supervisory  
wage employees who work at flood  
control dams (also known as reservoir  
projects) and whose duty station is  
located at one of the lakes that comprise  
the Vicksburg District of the Mississippi  
Valley Division. DOD would be assigned  
lead agency responsibility for  
establishing and issuing these special  
wage schedules. The special wage  
schedules would be established at the  
same time and with rates identical to  
the Memphis, TN, appropriated fund  
FWS wage schedule.

The Vicksburg District of the  
Mississippi Valley Division is  
comprised of the following four lakes:

Lakes	County	Wage area
Arkabutla Lake .....	Tate County, MS .....	Memphis, TN.
Enid Lake .....	Yalobusha County, MS .....	Northern Mississippi.
Grenada Lake .....	Grenada County, MS .....	Northern Mississippi.
Sardis Lake .....	Panola County, MS .....	Memphis, TN.

Grenada and Yalobusha Counties  
have been defined to the area of  
application of the Northern Mississippi  
(previously called Columbus-Aberdeen,  
MS) wage area since the FWS was  
established in 1972. In 1978, OPM  
redefined Tate County from the  
Columbus-Aberdeen area of application  
to the Memphis, TN, area of application.  
In 1996, OPM added Grenada County to  
the Northern Mississippi survey area. In  
2011, OPM redefined Panola County  
from the Northern Mississippi area of  
application to the Memphis area of  
application. Panola County is the  
location of the District headquarters for  
USACE employees of the four lake  
projects.

At the request of the labor members  
of the Federal Prevailing Rate Advisory  
Committee (FPRAC), the Committee has  
reexamined the definition of Grenada  
and Yalobusha Counties to see if a  
change in their definition is warranted.  
During the review of this subject, the

Committee heard local testimony  
indicating that there is considerable  
workforce interaction between the four  
lakes in the Vicksburg District and  
presents a unique pay situation that is  
detrimental to the efficient functioning  
of the lake projects in the District.

**Regulatory Criteria Under 5 CFR  
532.211**

OPM considers the following  
regulatory criteria under 5 CFR 532.211  
when defining FWS wage area  
boundaries:

- (i) Distance, transportation facilities,  
and geographic features;
- (ii) Commuting patterns; and
- (iii) Similarities in overall population,  
employment, and the kinds and sizes of  
private industrial establishments.

Except for the transportation facilities  
and geographic features criteria, the  
analysis of the regulatory criteria for  
Grenada and Yalobusha Counties favors  
the Northern Mississippi wage area.

Based on this analysis, OPM has  
determined that Grenada and Yalobusha  
Counties are appropriately defined to  
the Northern Mississippi wage area.

**Special Wage Schedules**

Because there exists a unique  
situation in the Vicksburg District to the  
point that all four lakes may be  
considered to be managed as one  
installation, FPRAC recommended by  
majority vote that DOD establish and  
issue special wage schedules for USACE  
employees whose duty station is located  
in one of the lakes that comprise the  
Vicksburg District of the Mississippi  
Valley Division. OPM is proposing to  
create a special wage schedule practice  
in this unique circumstance as  
recommended by FPRAC. The special  
wage schedules would be established  
using rates identical to the Memphis  
appropriated fund FWS wage schedule.

These special wage schedules would  
apply on the first day of the first

applicable pay period beginning on or after 60 days following publication of the final regulations. USACE employees with duty stations in one of the lakes of the Vicksburg District would transfer to the new special wage schedules on a step-by-step basis. No current employee will have his or her pay rate reduced as a result of implementing these new special wage schedules.

#### Regulatory Flexibility Act

I certify that these regulations would not have a significant economic impact on a substantial number of small entities because they would affect only Federal agencies and employees.

[Doc. No. AMS-FV-14-0049; FV14-925-3]

#### Grapes Grown in a Designated Area of Southeastern California; Proposed Amendments to Marketing Order

**AGENCY:** Agricultural Marketing Service, USDA.

**ACTION:** Proposed rule.

**SUMMARY:** This rulemaking invites comments on three proposed amendments to Marketing Order No. 925 (order), which regulates the handling of table grapes grown in a designated area of southeastern California. Two amendments are based on proposals made by the California Desert Grape Administrative Committee (Committee), which is responsible for the local administration of the order. These proposed amendments would increase term lengths for Committee members and alternates from one to four fiscal periods and would allow new members and alternates to agree to accept their nominations prior to selection. The proposals are intended to increase the Committee's effectiveness and bolster industry participation in Committee activities.

In addition to the Committee's proposals, the Agricultural Marketing Service (AMS) proposes an amendment that would add authority for periodic continuance referenda to allow producers to indicate whether or not there exists continuing support for the order.

**DATES:** Comments must be received by August 4, 2015.

**ADDRESSES:** Written comments should be submitted to the Docket Clerk, Marketing Order and Agreement Division, Fruit and Vegetable Program, AMS, USDA, 1400 Independence Avenue SW., STOP 0237, Washington,

DC 20250-0237; Fax: (202) 720-8938; or Internet: <http://www.regulations.gov>. **SUPPLEMENTARY INFORMATION:** This proposal is issued under Marketing Order No. 925, as amended (7 CFR part 925), regulating the handling of table grapes grown in a designated area of southeastern California, hereinafter referred to as the "order." If AMS determines amendment of the order is warranted, a subsequent proposed rule and referendum order would be issued and producers would be allowed to vote for or against the proposed order amendments. AMS would then issue a final rule effectuating any amendments
