

and color-light signal indications, approach locking (if external) to verify correct and intended inputs and outputs from the processor are maintained.

Alternative locking test descriptions and procedures would be documented in Carriers Signal Maintenance Standards.

Applicant's justification for relief: The 2-year testing interval at microprocessor controlled signal locations places an unnecessary burden on the carrier and provides no real safety benefit as the application program logic once installed does not change.

Interested parties are invited to participate in these proceedings by submitting written views, data, or comments. FRA does not anticipate scheduling a public hearing in connection with these proceedings since the facts do not appear to warrant a hearing. If any interested party desires an opportunity for oral comment, they should notify FRA, in writing, before the end of the comment period and specify the basis for their request.

All communications concerning these proceedings should identify the appropriate docket number (e.g., Waiver Petition Docket Number FRA-2009-0116) and may be submitted by any of the following methods:

Background

The FHWA, in cooperation with the Iowa Department of Transportation (Iowa DOT) and Polk County had a NOI published in the **Federal Register** on May 5, 2006 (Volume 71, Number 87) to complete an environmental impact statement for roadway improvements in Polk County, Iowa. On June 1, 2009 a second NOI was published in the **Federal Register** (Volume 74, Number 103) modifying the EIS to a tiered document.

Due to issues pertaining to cost and scheduling of the project, the above mentioned notices will be rescinded, and a corridor study will be completed instead. Appropriate environmental documents will be completed in the future when and if the project proceeds. (Catalog of Federal Domestic Assistance Program Number 20.205, Highway Planning and Construction. The regulations implementing Executive Order 12372 regarding intergovernmental consultation on Federal programs and activities apply to this program.)

(**Authority:** 23 U.S.C. 315; 49 CFR 1.48).

Dated: December 14, 2009.

Lubin M. Quinones,

Division Administrator, FHWA, Iowa Division.
