Committees consist of 15 local citizens representing a wide array of interests. The RACs provide a mechanism for local community collaboration with Federal land managers as they select projects to be conducted on Federal lands or that will benefit resources on Federal lands using funds under Title II of the Act.

Depending on the number of persons wishing to comment and time available, the time for individual oral comments may be limited. Individuals who plan to attend and need special assistance, such as sign language interpretation, tour transportation or other reasonable accommodations, should contact the BLM as provided above. The Resource Advisory Committees will be based on the following BLM District boundaries:
