Committee for the Implementation of Textile Agreements

January 8, 2001.

Commissioner of Customs,
Department of the Treasury, Washington, DC 20229.

Dear Commissioner: Pursuant to section 204 of the Agricultural Act of 1956, as amended (7 U.S.C. 1854); Executive Order 11651 of March 3, 1972, as amended; and the Bilateral Textile Agreement, dated January 20, 1999, between the Governments of the United States and Cambodia, you are directed to prohibit, effective on January 11, 2001, entry into the United States for consumption and withdrawal from warehouse for consumption of cotton, wool and man-made fiber textile products in the following categories, produced or manufactured in Cambodia and exported during the twelve-month period beginning on January 1, 2001 and extending through December 31, 2001, in excess of the following levels of restraint:

Category	Twelve-month restraint limit
331/631	1,890,086 dozen pairs.
334/634	197,391 dozen.
335/635	79,607 dozen.
338/339	2,902,810 dozen.
340/640	918,543 dozen.
345	115,124 dozen.
347/348/647/648	3,483,372 dozen.
352/652	734,834 dozen.
438	94,618 dozen.
445/446	122,310 dozen.
638/639	1,045,012 dozen.
645/646	306,181 dozen.

The limits set forth above are subject to adjustment pursuant to the provisions of the current bilateral agreement between the Governments of the United States and Cambodia.

Products in the above categories exported during 2000 shall be charged to the applicable category limits for that year (see directive dated December 10, 1999) to the extent of any unfilled balances. In the event the limits established for that period have been exhausted by previous entries, such products shall be charged to the limits set forth in this directive.

These limits may be revised if Cambodia becomes a member of the World Trade Organization (WTO) and the United States applies the WTO agreement to Cambodia.

Moreover, these limits may be revised in light of the U.S. determination as to whether working conditions in the Cambodian textile and apparel sector substantially comply with Cambodian labor law and internationally recognized core labor standards (see **Federal Register** notice 64 FR 60428, published on November 5, 1999).

In carrying out the above directions, the Commissioner of Customs should construe entry into the United States for consumption to include entry for consumption into the Commonwealth of Puerto Rico.

The Committee for the Implementation of Textile Agreements has determined that these actions fall within the foreign affairs exception of the rulemaking provisions of 5 U.S.C. 553(a)(1).

Sincerely,
Richard B. Steinkamp,
Chairman, Committee for the Implementation of Textile Agreements.
