

net asset value as the shares of High Yield Fund held by the Planholder. If a Planholder elects to terminate a Plan account prior to or after the Substitution, the Planholder can elect to receive either (1) the net asset value of the shares held by the Planholder, or (2) the underlying High Yield Fund or Income Fund shares, as applicable, which would allow the Planholder to exchange into another First Investors fund. No sales charges will be imposed in connection with any of these options. Any expenses and charges involved in the Substitution, other than proper transfer taxes and/or charges customarily charged to shareholders by state and local authorities for securities transfers, will be borne by First Investors.

Applicants' Legal Analysis

1. Section 26(b) of the Act makes it unlawful for the depositor or trustee of a registered unit investment trust holding the security of a single issuer to substitute another security unless the Commission approves the substitution. The Commission may issue an order approving the substitution if the evidence establishes that the substitution is consistent with the protection of investors and the purposes fairly intended by the policies and provisions of the Act. Applicants submit, for the reasons stated above, that the Substitution meets the standards for an order under section 26(b).

For the Commission, by the Division of Investment Management, under delegated authority.

Margaret H. McFarland,
Deputy Secretary.
