

DEPARTMENT OF ENERGY**Federal Energy Regulatory Commission****[Docket PL04-8-000]****U.S.-Canada Power System Outage Task Force; Workshop on Electric Reliability Standards; Notice of Workshop**

May 4, 2004.

Take notice that the U.S.-Canada Power System Outage Task Force and the Federal Energy Regulatory Commission will co-host a technical workshop on Friday, May 14, 2004 to discuss the improvement of North American electric reliability standards and other recommendations included by the U.S.-Canada Power System Outage Task Force in its April 2004 Report (available at: <http://www.ferc.gov/cust-protect/moi/blackout.asp>).

The workshop will be held at the Commission's Washington, DC headquarters, 888 First St., NE., 20426. The workshop is scheduled to begin at 9 a.m. (EST) in the Commission Meeting Room, Room 2-C.

Representatives from the United States Department of Energy, Natural Resources Canada, Ontario Ministry of Energy, North American Electric Reliability Council, and related industry representatives will participate with FERC Commissioners in addressing the immediate and long-term measures that may be taken to ensure a reliable electric system, a critical element to the economic and national security of both the United States and Canada.

Selected panelists will be invited to participate in this workshop; requests to make presentations will not be entertained. All interested persons may attend.

Transcripts of the conference will be immediately available from Ace Reporting Company (202-347-3700 or 1-800-336-6646) for a fee. They will be available for the public on the Commission's eLibrary system seven calendar days after FERC receives the transcript. Additionally, Capitol Connection offers the opportunity for remote listening and viewing of the conference. It is available for a fee, live over the Internet, by phone or via satellite. Persons interested in receiving the broadcast, or who need information on making arrangements should contact David Reininger or Julia Morelli at the Capitol Connection (703-993-3100) as soon as possible or visit the Capitol Connection Web site at <http://www.capitolconnection.org> and click on "FERC."

For more information about the conference, please contact Sarah McKinley at 202-502-8004 (sarah.mckinley@ferc.gov).

Magalie R. Salas,
Secretary.

Attachment 1—U.S.-Canada Power System Outage Task Force Workshop on Electric Reliability Standards**Agenda**

- (1) Opening comments by the Governmental conveners (15 minutes)
 - Natural Resources Canada and Ontario Ministry of Energy
 - U.S. Department of Energy and Federal Energy Regulatory Commission
- (2) Status of current industry standards and policies (45 minutes)
 - Content of existing standards, policies and guidelines (NERC)
 - Timing of evolution into clear, ANSI-process-adopted standards
 Invited speakers and brief opportunity for audience comments
- (3) Based on the findings and recommendations of the blackout investigation, discussion of any necessary changes in the reliability standards (60 minutes)
 - Existing topics in current standards/policies/guidelines (NERC)
 - Discussion of areas that require standards not currently covered in the NERC standards (NERC, FERC)
 - Discussion of priorities to complete or clarify the most reliability-critical issues and standards first
 Invited speakers and brief opportunity for audience comments
- (4) Timing and process for standards revision and development (60 minutes)
 - Next steps, process and schedule (NERC)
 - Any modifications needed to next steps, process and schedule given reliability needs?
 - Appropriate role for the governments and agencies
 Invited speakers from NERC and brief opportunity for audience comments
- (5) Reliability readiness audits and other issues not covered above (30 minutes)
- (6) Closing comments and commitments (20 minutes)

Attachment 1

U.S.-Canada Power System Outage Task Force Workshop on Electric Reliability Standards

Agenda

(1) Opening comments by the
Governmental conveners (15 minutes).
• Natural Resources Canada and
Ontario Ministry of Energy.

• U.S. Department of Energy and
Federal Energy Regulatory Commission.

(2) Status of current industry
standards and policies (45 minutes).

• Content of existing standards,
policies and guidelines (NERC).

• Timing of evolution into clear,
ANSI-process-adopted standards

Invited speakers and brief opportunity
for audience comments.

(3) Based on the findings and
recommendations of the blackout
investigation, discussion of any
necessary changes in the reliability
standards (60 minutes).

• Existing topics in current
standards/policies/guidelines (NERC).

• Discussion of areas that require
standards not currently covered in the
NERC standards (NERC, FERC).

• Discussion of priorities to complete
or clarify the most reliability-critical
issues and standards first.

Invited speakers and brief opportunity
for audience comments.

(4) Timing and process for standards
revision and development (60 minutes).

• Next steps, process and schedule
(NERC).

• Any modifications needed to next
steps, process and schedule given
reliability needs?

• Appropriate role for the
governments and agencies.

Invited speakers from NERC and brief
opportunity for audience comments.

(5) Reliability readiness audits and
other issues not covered above (30
minutes).

(6) Closing comments and
commitments (20 minutes).

BILLING CODE 6717-01-P

DEPARTMENT OF ENERGY

Federal Energy Regulatory Commission

[Docket No. RM98-1-000]

Records Governing Off-the-Record Communications; Public Notice

May 5, 2004.

This constitutes notice, in accordance
with 18 CFR 385.2201(b), of the receipt
of exempt and prohibited off-the-record
communications.

Order No. 607 (64 FR 51222,
September 22, 1999) requires
Commission decisional employees, who
make or receive an exempt or prohibited
off-the-record communication relevant
to the merit's of a contested on-the-
record proceeding, to deliver a copy of
the communication, if written, or a
summary of the substance of any oral
communication, to the Secretary.

Prohibited communications will be
included in a public, non-decisional file
associated with, but not a part of, the
decisional record of the proceeding.
Unless the Commission determines that
the prohibited communication and any
responses thereto should become a part
of the decisional record, the prohibited
off-the-record communication will not

be considered by the Commission in
reaching its decision. Parties to a
proceeding may seek the opportunity to
respond to any facts or contentions
made in a prohibited off-the-record
communication, and may request that
the Commission place the prohibited
communication and responses thereto
in the decisional record. The
Commission will grant such a request
only when it determines that fairness so
requires. Any person identified below as
having made a prohibited off-the-record
communication shall serve the
document on all parties listed on the
official service list for the applicable
proceeding in accordance with Rule
2010, 18 CFR 385.2010.

Exempt off-the-record
communications will be included in the
decisional record of the proceeding,
unless the communication was with a
cooperating agency as described by 40
CFR 1501.6, made under 18 CFR
385.2201(e)(1)(v).

The following is a list of prohibited
and exempt communications recently
received in the Office of the Secretary.
The communications listed are grouped
by docket numbers. These filings are
available for review at the Commission
in the Public Reference Room or may be
viewed on the Commission's Web site at
<http://www.ferc.gov> using the eLibrary
(FERRIS) link. Enter the docket number
excluding the last three digits in the
docket number field to access the
document. For Assistance, please
contact FERC, Online Support at
FERCOnlineSupport@ferc.gov or toll
free at (866) 208-3676, or for TTY,
contact (202) 502-8659.

Prohibited:

Docket No.	Date filed	Presenter or requester
1. CP04-36-000, CP04-41-000	4-26-04	Brian Pearson.
2. CP04-36-000, CP04-41-000	4-26-04	Lisa Doremus.
3. CP04-58-000	5-03-04	Susan Schaffel, <i>et al.</i> ¹

¹ This communication is one among numerous form letters sent to the Commission by the Greenpeace, USA organization. Only representative samples of these prohibited non-decisional documents are posted in this docket on the Commission's eLibrary system (<http://www.ferc.gov>).

Exempt:

Docket No.	Date filed	Presenter or requester
1. CP03-75-000	4-29-04	Barbara Holley Reid.
2. Project No. 11659-000	4-22-04	Jeff Boyce.
3. Project No. 11659-000	4-22-04	Daniel Raley.
4. Project No. 2082-000	4-29-04	Barry and Julie Clock.
5. Project No. 2082-000	5-4-04	Dennis Griffin, PhD.
6. Project No. 2082-000	5-4-04	Kirk E. Ranzetta.
