Title: Merchant Mariner Credentialing—Job Task Analysis.

OMB Control Number: 1625–NEW.

Summary: The Coast Guard's Merchant Mariner Credentialing Program establishes the requirements for the issuance of a Merchant Mariner Credential (MMC) with the officer or rating endorsements necessary for employment on U.S. flagged vessels. To improve the credentialing process, inform future decisions, and ensure the Coast Guard maintains standards reflecting changes in technology, the Coast Guard is conducting a Job Task Analysis (JTA) for each officer and rating endorsement issued on an MMC. Information shall be collected through focus group discussions and the administration of surveys. Participation is voluntary.

Need: The Coast Guard issues credentials to merchant mariners in accordance with 46 CFR Subchapter B. Screening and assessing applicants for competency ensure they do not present a safety or security risk, they are medically qualified to serve, and that they have the training and experience to serve in the position for which they are applying. The JTA shall inform the training and assessment processes.

Forms: None.

Respondents: Merchant mariners and shoreside personnel.

SUPPLEMENTARY INFORMATION: Notice is hereby given that, in a letter dated November 8, 2019, the President amended the cost-sharing arrangements regarding Federal funds provided under the authority of the Robert T. Stafford Disaster Relief and Emergency Assistance Act, 42 U.S.C. 5121 *et seq.* (the “Stafford Act”), in a letter to Pete Gaynor, Acting Administrator, Federal Emergency Management Agency, Department of Homeland Security, under Executive Order 12148, as follows:

I have determined that the damage to the Santa Clara Pueblo resulting from flooding during the period of June 22 to July 12, 2012, is of sufficient severity and magnitude that special cost sharing arrangements are warranted regarding Federal funds provided under the Robert T. Stafford Disaster Relief and Emergency Assistance Act, 42 U.S.C. 5121 *et seq.* (the “Stafford Act”).

Therefore, I amend the declaration of August 24, 2012, to now authorize Federal funds for all categories of Public Assistance at 90 percent of the total eligible costs for the Santa Clara Pueblo.

This adjustment to the Santa Clara Pueblo's cost sharing applies only to Public Assistance costs and direct Federal assistance eligible for such adjustments under the law. Section 404 of the Stafford Act, 42 U.S.C. 5170c, specifically prohibits a similar adjustment for funds provided for the Hazard Mitigation Grant Program. Thus, Hazard Mitigation Grant Program funds will continue to be reimbursed at 75 percent of total eligible costs.
