Nature and Extent of Confidentiality:

In general, there is no need for confidentiality for respondents. On a case by case basis, the Commission may be required to withhold from disclosure certain information about the location, character, or ownership of historic property, including traditional religious sites.

Needs and Uses: The Commission will submit this information collection to the OMB as an extension (no change in reporting, recordkeeping or third party disclosure requirements) during this comment period to obtain the full three-year clearance from them. There is no change in the estimated number of respondents/responses, burden hours or annual costs.

This data is used by FCC staff, State Historic Preservation Officers (SHPO), Tribal Historic Preservation Officers (THPO), and the Advisory Council of Historic Preservation (ACHP) to take such action as may be necessary as to ascertain whether a proposed action may affect historic properties that are listed or eligible for listing in the National Register as directed by Section 106 of the National Historic Preservation Act (NHPA), and the Commission's rules. FCC Form 620, New Tower (NT) Submission Packet is to be completed by or on behalf of applicants to construct new antenna support structures by or for the use of licensees of the FCC. The Packet is to be submitted to the State Historic Preservation Office (SHPO), or to the Tribal Historic Preservation Office (THPO), as appropriate, before any

construction or other installation activities on the site begin. Failure to provide the Submission Packet and complete the review process under Section 106 of the National Historic Preservation Act (NHPA) prior to beginning construction may violate the NHPA and the Commission's rules.

FCC Form 621, Collocation (CO) Submission Packet is to be completed by or on behalf of applicants who wish to collocate an antenna or antennas on an existing communications tower or non-tower structure by or for the use of licensees of the FCC. The Packet (including Form CO and attachments) is to be submitted to the SHPO or to the THPO, as appropriate, before any construction or other installation activities on the site begin. Failure to provide the Submission Packet and complete the review process under Section 106 of the National Historic Preservation Act prior to the beginning construction or other installation activities may violate the NHPA and the Commission's rules.

FEDERAL COMMUNICATIONS COMMISSION

Notice of Public Information Collection(s) Being Reviewed by the Federal Communications Commission for Extension Under Delegated Authority, Comments Requested

September 7, 2007.

SUMMARY: The Federal Communications Commission, as part of its continuing effort to reduce paperwork burden invites the general public and other Federal agencies to take this opportunity to comment on the following information collection(s), as required by the Paperwork Reduction Act of 1995, Public Law 104-13. An agency may not conduct or sponsor a collection of information unless it displays a currently valid control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the Paperwork Reduction Act (PRA) that does not display a valid control number. Comments are requested concerning (a) whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's burden estimate; (c) ways to enhance

the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology.

DATES: Persons wishing to comment on this information collection should submit comments November 13, 2007. If you anticipate that you will be submitting comments, but find it difficult to do so within the period of time allowed by this notice, you should advise the contact listed below as soon as possible.

ADDRESSES: Direct all PRA comments to Nicholas A. Fraser, Office of Management and Budget (OMB), (202) 395-5887, or via fax at 202-395-5167, or via the Internet at Nicholas_A.Fraser@omb.eop.gov and to Judith-B.Herman@fcc.gov, Federal Communications Commission (FCC), Room 1-B441, 445 12th Street, SW., Washington, DC 20554. Number of Respondents: 25 respondents; 25 responses.

Estimated Time per Response: 1 hour.

Frequency of Response: On occasion and one-time reporting requirements, and third party disclosure requirement.

Obligation to Respond: Required to obtain or retain benefits.

Total Annual Burden: 25 hours.

Annual Cost Burden: N/A.

Privacy Act Impact Assessment: N/A.

Nature and Extent of Confidentiality:

There is no need for confidentiality.

Needs and Uses: This collection will be submitted as an extension (no change in recordkeeping requirements) after this 60 day comment period to Office of Management and Budget (OMB) in order to obtain the full three year clearance from them. There is no change in the number of respondents/responses and the estimated burden hours.

Section 87.147 is needed to require applicants for aviation equipment certification to submit a Federal Aviation Administration (FAA) determination of the equipment's compatibility with the National Airspace System (NAS). This will ensure that radio equipment operating in certain frequencies is compatible with the NAS, which shares system components with the military. The notification must describe the equipment, give the manufacturer's identification, antenna characteristics, rated output power, emission type and characteristics, the frequency or frequencies of operation, and essential receiver characteristics if protection is required. The information is used by FCC engineers to determine the interference potential of the proposed operation.
