SUPPLEMENTARY INFORMATION: The Department of Housing and Urban Development will submit the proposed information collection package to OMB for review as required by the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35, as amended).

This Notice is soliciting comments from members of the public and affected agencies concerning the proposed collection of information to: (1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (2) Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information; (3) Enhance the quality, utility, and clarity of the information to be collected; and (4) Minimize the burden of the collection of information on those who are to respond; including the use of appropriate automated collection

techniques or other forms of information technology, (e.g., permitting electronic submission of responses).

This Notice also lists the following information:

Title of Proposal: Section 8 Random Digit Dialing Fair Market Rent Telephone Survey.

OMB Control Number: 2528-0142.

Description of the need for the information and proposed use: This provides HUD with a relatively fast and accurate way to estimate and update Section 8 Fair Market Rents (FMRs) in areas where FMRs are believed to be incorrect and data from the American Community Survey is not available at the local level. Section 8(C) (1) of the United States Housing Act of 1937 requires the Secretary to publish Fair Market Rents (FMRs) annually to be effective on October 1 of each year. FMRs are used for the Section 8 Rental Certificate Program (including space rentals by owners of manufactured homes under that program); the Moderate Rehabilitation Single Room

Occupancy program; housing assisted under the Loan Management and Property Disposition programs; payment standards for the Rental Voucher program; and any other programs whose regulations specify their use.

Random Digit Dialing (RDD) telephone surveys have been used for many years to adjust FMRs. These surveys are based on a sampling procedure that uses computers to select statistically random samples of telephone numbers to locate certain types of rental housing units for surveying. HUD will conduct RDD surveys of up to 20 individual FMR areas in a year to test the accuracy of their FMRs.

Member of affected public: Individuals or households living in areas surveyed.

Estimation of the total numbers of hours needed to prepare the information collection including number of respondents, frequency of response, and hours of response:

Area surveys	Number of phone calls made	Average minutes each	Minutes	Hours
Number who pick up phone but are screened out	38,204	1.70	64,996	1,083
Total interviewed (movers and stayers)	5,954	4.02	23,956	399
Annual Total	44,158		88,952	1,482

Status of the proposed information collection: Pending OMB approval.

Authority: The Paperwork Reduction Act of 1995, 44 U.S.C. Chapter 35, as amended; and Section 8(C)(1) of the United States Housing Act of 1937.

Dated: September 19, 2007.

The HBCU Program provides funds for a wide range of CDBG-eligible activities including housing rehabilitation, property demolition or acquisition, public facilities, economic development, business entrepreneurship, and fair housing programs.

The Catalog Federal Domestic Assistance number for this program is 14.520.

On March 13, 2007 (72 FR 11468), HUD published a Notice of Funding Availability (NOFA) announcing the availability of approximately \$8.9 million of which up to \$1 million has been allocated for technical assistance,

therefore, \$7.9 million, plus an additional \$464,600 that was carried over was available this year for funding grants under this program. Fifty applications were received from HBCUs in response to this program NOFA; however, two were disqualified because they were determined not to be eligible applicants. All applications received were from applicants that been previously funded.

The Department reviewed, evaluated, and scored the applications received based on the criteria in the NOFA. As a result, HUD has funded the applications below, and in accordance with section 102(a)(4)(C) of the Department of Housing and Urban Development Reform Act of 1989 (103 Stat. 1987, 42 U.S.C. 3545), is publishing a list of grantees and amount of awards.
