BILLING CODE 4710-25-M

DEPARTMENT OF STATE

[Public Notice 4457]

Determination: Imposing Conditions and Restrictions on the Cuban Interests Section and Its Personnel with Respect to Acquisition and Disposition of Motor Vehicles in the United States

Summary

The United States Interests Section of the Embassy of Switzerland in Havana, Cuba ("the U.S. Interests Section") is the mission through which the U.S. communicates with the Government and people of Cuba. The Cuban Government's counterpart mission in the United States is the Cuban Interests Section of the Embassy of Switzerland in Washington. For some time, the Cuban Government has imposed a series of impediments, obstructions, denials of service, and unjustifiable costs upon the functioning of the U.S. Interests Section and living conditions of the Interests Section's employees and dependents. The Foreign Missions Act of 1982 as amended (22 U.S. Code 4301, *et. seq.*) provides the domestic legal authority for responding to these restrictions by imposing reciprocal measures such as those set out in this Determination.

Among the many areas in which Cuban authorities impose undue restrictions on the U.S. Interests Section and its personnel is that of motor vehicles. Specifically, Cuban authorities impose a variety of restrictions and impediments which have the net effect of making it inordinately difficult, if not

altogether impossible to either purchase a new vehicle or resell a used one in Cuba.

To enable the U.S. Government to respond effectively to the situation described above, as well as to create for the Government of Cuba an incentive to improve the conditions it imposes upon the U.S. Interests Section, the Department of State is hereby invoking its authorities under the Foreign Missions Act to impose a series of reciprocal terms and conditions on the Cuban Interests Section in Washington, DC with respect to motor vehicles. The primary effect of these terms and conditions, which are spelled out in the text below, is to restrict the ability of the Cuban Interests Section and its personnel to purchase, lease, or sell any vehicle in the United States.

It should be noted that, upon publication of this Determination in the **Federal Register**, or upon actual notice to any party, whichever is the earlier, it will be unlawful for any person or business subject to the jurisdiction of the United States to act in a manner contrary to the terms and conditions specified below.

Persons Affected by This Action

This Determination applies primarily to the Cuban Interests Section of the Embassy of Switzerland in Washington, DC, its personnel, and the family members thereof. However, it also applies to any person subject to the jurisdiction of the United States, whether natural person, business, or other entity of any sort, that intends to sell or lease a motor vehicle to, or purchase a motor vehicle from the Cuban Interests Section or its personnel.

Legal Authority

The terms and conditions promulgated by this Determination are done so pursuant to the Foreign Missions Act of 1982, as amended, 22 U.S.C. 4301 *et seq.* ("the Act"). The Act at section 4304 authorizes the Secretary to provide "benefits" to foreign missions in the United States and to impose certain terms and conditions upon the provision of such benefits, if such action is reasonably necessary to achieve a statutory purpose identified in the act, including the interests of diplomatic reciprocity.
