

With respect to Rummo, petitioners alleged that the Department made a clerical error in its narrative characterization of Rummo's margin rate as *de minimis*. We agree with petitioners that this characterization was incorrect, and have ensured that the correct margin rate of 0.94 percent is applied in liquidation and cash deposit instructions.

As a result of our corrections, for the period July 1, 2001, through June 30, 2002, Garofalo's antidumping duty margin increased from 2.55 percent to 2.57 percent *ad valorem*.

The Department will instruct the U.S. Customs and Border Protection (CBP) to assess antidumping duties, as indicated above, on all appropriate entries. The Department will issue liquidation instructions directly to the CBP. The amended cash deposit requirement is effective for all shipments of subject merchandise from Garofalo entered, or withdrawn from warehouse, for consumption on or after the date of publication of this notice and shall remain in effect until publication of the final results of the next administrative review.

These amended final results are issued and published in accordance with section 751(h) of the Act and 19 CFR 351.224.

Dated: April 19, 2004.

James J. Jochum,

Assistant Secretary for Import Administration.

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

DATES: *Effective Date:* April 27, 2004.

FOR FURTHER INFORMATION CONTACT: Joe Welton, AD/CVD Enforcement, Group III, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230, telephone (202) 482-0165.

Background

On June 2, 2003, the Department of Commerce ("Department") published a

notice of opportunity to request an administrative review of the antidumping duty order on stainless steel butt-weld pipe fittings from Taiwan for the period June 1, 2002, through May 31, 2003. *See Notice of Opportunity to Request Administrative Review of Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation*, 68 FR 32727 (June 2, 2003). On June 30, 2003, Markovitz Enterprises, Inc. (Flowline Division), Shaw Alloy Piping Products Inc., Gerlin, Inc., and Taylor Forge Stainless, Inc. ("petitioners") requested an antidumping duty administrative review for the following companies: Ta Chen Stainless Pipe Co., Ltd. ("Ta Chen"), Liang Feng Stainless Steel Fitting Co., Ltd. ("Liang Feng"), and Tru-Flow Industrial Co., Ltd. ("Tru-Flow"), and PFP Taiwan Co., Ltd., ("PFP") for the period June 1, 2002, through May 31, 2003. On June 30, 2003, Ta Chen requested an administrative review of its sales to the United States during the period of review ("POR"). On July 29, 2003, the Department published in the **Federal Register** a notice of initiation of this antidumping duty administrative review for the period June 1, 2002, through May 31, 2003. *See Notice of Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation In Part*, 68 FR 44524 (July 29, 2003). On March 3, 2004, the Department extended the deadline for the preliminary results in this administrative review by 90 days until May 30, 2004. *See Stainless Steel Butt-Weld Pipe Fittings from Taiwan: Extension of Time Limit for the Preliminary Results of the Antidumping Duty Administrative Review* 69 FR 9997, (March 3, 2004).

Extension of Time Limit for Preliminary Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act"), states that the administering authority shall make a preliminary determination within 245 days after the last day of the month in which occurs the anniversary of the date of publication of the order, finding, or suspension agreement for which the review under paragraph (1) is requested. If it is not practicable to complete the review within the foregoing time, the administering authority may extend that 245 day period to 365 days. On March 3, 2004, we extended the due date of the preliminary results in this administrative review by 90 days until 335 days after the last day of the month in which occurs the anniversary of the date of publication of the order. *See*

Stainless Steel Butt-Weld Pipe Fittings from Taiwan: Extension of Time Limit for the Preliminary Results of the Antidumping Duty Administrative Review 69 FR 9997, dated March 3, 2004. Completion of the preliminary results within the 335 day period is impracticable because this review involves complex affiliation issues which have continued to emerge as the review progressed, requiring additional time for analysis.

Because it is not practicable to complete this review within the time specified in our previous extension notice, we are extending the due date for the preliminary results for an additional 30 days until June 29, 2004. Thus, the preliminary results are now being fully extended until 365 days after the last day of the month in which occurs the anniversary of the date of publication of the order, in accordance with section 751(a)(3)(A) of the Act. The final results continue to be due 120 days after the publication of the preliminary results.

Dated: April 16, 2004.

Barbara E. Tillman,

Acting Deputy Assistant Secretary for Import Administration, Group III.
