

utilization of belt air and the composition and fire retardant properties of belt materials in underground coal mining. By December 2007, the Panel must submit a report to the Secretaries of Labor and Health and Human Services, the Senate Committee on Health, Education, Labor and Pensions, and the House Committee on Education and the Workforce. The first meeting of the Panel was held in Washington, DC on January 9–10, 2007. The second meeting of the Panel was held in Coraopolis, PA on March 28–30, 2007.

The agenda for the third meeting will include:

- (1) Belt air ventilation issues.
- (2) Ground control/convergence issues surrounding two-entry development in western underground coal mines.
- (3) MSHA Aracoma Alma Mine t1 accident investigation report.
- (4) Public input.

The panel will allocate time at the end of each day for presentations by members of the public. MSHA expects the amount of time allocated for public participation to be approximately one hour, but it may vary based on the interest expressed by the public. MSHA will also accept written submissions.

MSHA requests that persons planning to participate in the public input session of this meeting notify the Agency at least one week prior to the meeting date. There will be an opportunity for other persons, who have not made prior arrangements with MSHA and wish to speak, to register at the beginning of the meeting each day. Speakers should limit their presentations to five minutes, but may supplement oral remarks with written submissions. MSHA will incorporate written submissions into the official record, which includes a verbatim transcript, and make them available to the public. The Panel Chairman will moderate the public participation session, and panelists may ask the speakers questions.

The public may inspect the official record of the meetings at the MSHA address listed above under the heading **FOR FURTHER INFORMATION CONTACT**. In addition, this information will be posted on the Agency's single source webpage titled "The Technical Study Panel on the Utilization of Belt Air and the Composition and Fire Retardant Properties of Belt Materials in Underground Coal Mining Single Source Page." The Single Source page is located at <http://www.msha.gov/BeltAir/BeltAir.asp>.

NATIONAL ARCHIVES AND RECORDS ADMINISTRATION

Agency Information Collection Activities: Submission for OMB Review; Comment Request

AGENCY: National Archives and Records Administration (NARA).

ACTION: Notice.

SUMMARY: NARA is giving public notice that the agency has submitted to OMB for approval the information collection described in this notice. The public is invited to comment on the proposed information collection pursuant to the Paperwork Reduction Act of 1995.

DATES: Written comments must be submitted to OMB at the address below on or before June 1, 2007 to be assured of consideration.

ADDRESSES: Send comments to Desk Officer for NARA, Office of Management and Budget, New Executive Office Building, Washington, DC 20503; fax: 202–395–5167.

FOR FURTHER INFORMATION CONTACT: Requests for additional information or copies of the proposed information collection and supporting statement should be directed to Tamee Fechhelm at telephone number 301–837–1694 or fax number 301–713–7409.

SUPPLEMENTARY INFORMATION: Pursuant to the Paperwork Reduction Act of 1995 (Pub. L. 104–13), NARA invites the general public and other Federal agencies to comment on proposed information collections. NARA published a notice of proposed collection for this information collection on February 14, 2007 (72 FR 7088 and 7089). No comments were received. NARA has submitted the described information collection to OMB for approval.

In response to this notice, comments and suggestions should address one or more of the following points: (a) Whether the proposed collection information is necessary for the proper performance of the functions of NARA; (b) the accuracy of NARA's estimate of the burden of the proposed information collection; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on

respondents, including the use of information technology; and (e) whether small businesses are affected by this collection. In this notice, NARA is soliciting comments concerning the following information collection:

Title: Microfilm Publication Order Form.

OMB number: 3095–0046.

Agency form number: NATF Form 36.

Type of review: Regular.

Affected public: Business or for-profit, nonprofit organizations and institutions, federal, state and local government agencies, and individuals or households.

Estimated number of respondents: 600.

Estimated time per response: 10 minutes.

Frequency of response: On occasion.

Estimated total annual burden hours: 100 hours.

Abstract: The information collection is prescribed by 36 CFR 1254.72. The collection is prepared by researchers who cannot visit the appropriate NARA research room or who request copies of records as a result of visiting a research room. NARA offers limited provisions to obtain copies of records by mail and requires requests to be made on prescribed forms for certain bodies of records. The National Archives Trust Fund (NATF) Form 36 (9/05), Microfilm Publication Order Form, is used by customers/researchers for ordering a roll, rolls, or a microfiche of a microfilm publication.

Dated: April 26, 2007.

Martha Morphy,

Assistant Archivist for Information Services.
