

consequences, and unique and unforeseeable environmental impacts. For these reasons, in early 2009 the Superintendent determined that an EIS would be prepared.

All scoping comments received to date are included in the official administrative record; the Scoping Summary Report includes all comments and information obtained to date and is available on-line at <http://parkplanning.nps.gov/seki>. It is not necessary for previous letters to be resubmitted; however if prior respondents have new issues or information they wish to bring forward then new letters should be submitted. For further information contact Nancy Hendricks at (559) 565-3102 or SEKI_planning@nps.gov (address as noted below).

DATES: All written comments must be postmarked or transmitted not later than November 21, 2009. Letters may be mailed or hand delivered to Superintendent, Sequoia and Kings Canyon National Park, 47050 Generals Highway, Three Rivers, CA 93271 (Attn: Aquatic Restoration EIS), or may be sent electronically to <http://parkplanning.nps.gov/seki>. Before including your address, phone number, e-mail address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so. As a delegated EIS the official responsible for approval of the High Elevation Aquatic Ecosystems and Native Species Restoration Plan is the Regional Director, Pacific West Region, National Park Service. Subsequently the official responsible for implementing the approved plan would be the Superintendent, Sequoia and Kings Canyon National Parks.

Dated: August 11, 2009.

Wind Turbine Guidelines Advisory Committee; Announcement of Public Teleconference and Webcast

AGENCY: Fish and Wildlife Service, Interior.

ACTION: Notice of public teleconference and Webcast.

SUMMARY: We, the U.S. Fish and Wildlife Service (Service), will host a Wind Turbine Guidelines Advisory Committee (Committee) meeting via Webcast and teleconference, on October 14, 2009. This meeting is open to the public but will be limited to 75 public participants. The meeting agenda will include a briefing and discussion of the current draft Recommendations to the Secretary of the Interior. The Service is hosting this meeting with less than 15 days' notice under exceptional circumstances. The Committee will terminate on October 26, 2009, unless it is renewed prior to that date. The Committee will therefore need this meeting to finalize its draft Recommendations in the case that the Committee is not renewed.

DATES: *Meeting:* The meeting will take place on October 14, 2009, from 11 a.m. to 3 p.m. Eastern Time.

Pre-meeting Public Registration: If you are a member of the public wishing to participate in the October 14, 2009, meeting, you must register online by October 13, 2009 (see "Meeting Participation Information" in **SUPPLEMENTARY INFORMATION**).
