

TABLE 1—RECIPIENT AND AWARD AMOUNT

Grant No.	Award recipient name	City, state	Award amount
UJ6MC45789	AcademyHealth	Washington, DC	\$450,000

Justification: The Enhancing Systems of Care for Children with Medical Complexity Coordinating Center provides national leadership through training, support, and education to five demonstration projects implementing patient/family centered models of care delivery. Additional funding is needed to create consistent and sustainable policies, strategies, and partnerships that every state can adapt when providing access to a patient and family centered health care home for all CMC and their families. Most CMC do not have access to high quality patient-centered care focused on their complex care needs and one key reason is lack of sustainable financing of these care models. As a result of this supplemental funding, (1) more states will receive training, education and resources to provide stable and sufficient financing for patient and family centered health care homes for all CMC; (2) common measures will be developed for use across federal programs; and (3) state and jurisdictional Title V programs will be better positioned to work with state Medicaid agencies regarding the needs of the maternal and child health population, especially children and youth with special health care needs/CMC. Because of the current grantee's work in Medicaid financing, implementation science, and the CMC population, they are best positioned to work with state Title V and Medicaid programs, as well as families, clinicians, health care organizations, and other stakeholders, to support state Medicaid and Title V agencies in their efforts.

HRSA will award \$450,000 to the award recipient noted in Table I.

Carole Johnson,
Administrator.

National Biodefense Science Board Public Meeting

AGENCY: Administration for Strategic Preparedness and Response (ASPR), U.S. Department of Health and Human Services (HHS).

ACTION: Notice.

SUMMARY: The National Biodefense Science Board (NBSB) will publicly meet using an online format. Notice of the meeting is required under section 10 (a)(2) of the Federal Advisory Committee Act (FACA). The NBSB provides expert advice and guidance to HHS regarding current and future chemical, biological, radiological, and nuclear threats, as well as other matters related to disaster preparedness and response. ASPR manages and convenes the NBSB on behalf of the Secretary of HHS.

DATES: Monday, August 28, 2023 (1 p.m.–3 p.m. ET).

FOR FURTHER INFORMATION CONTACT: Dr. Lara Lamprecht, National Advisory Committees (NAC) Branch Chief; NBSB Designated Federal Official, (202) 578–7321; NBSB@HHS.GOV.

SUPPLEMENTARY INFORMATION:

Procedures for Public Participation: The public and expert stakeholders are invited to observe the meeting. Pre-registration (Zoom) is required. Anyone may submit questions and comments to the NBSB by email (NBSB@hhs.gov) before the meeting. American Sign Language translation and Communication Access Real-Time Translation will be provided.

Representatives from industry, academia, health professions, health care consumer organizations, non-Federal Government agencies, or community-based organizations may request up to seven minutes to speak directly to the Board. Requests to speak to the Board will be approved in consultation with the Board Chair and based on time available during the meeting. Requests to speak to the NBSB during the public meeting must be sent to NBSB@hhs.gov by close of business on August 14, 2023. Please provide the full name, credentials, official position(s), and relevant affiliations for the speaker and a brief description of the intended topic. Presentations that contain material with a commercial bias, advertising, marketing, or solicitations will not be allowed. A meeting summary will be available on the NBSB website post meeting.

Dawn O'Connell,

Assistant Secretary for Preparedness and Response.
