[Notice of Program Announcement No. ACF/ACYF/HS 2002-01]

Discretionary Announcement for Select Service Areas of Early Head Start; Availability of Funds and Request for Applications

AGENCY: Administration on Children, Youth and Families (ACYF), Administration for Children and Families (ACF), DHHS.

ACTION: Notice of availability of Early Head Start financial assistance for select service areas and request for applications.

SUMMARY: The Administration on Children, Youth and Families announces financial assistance to be competitively awarded to local public and local non-profit and for-profit private entities—including Early Head Start and Head Start grantees—to provide child and family development services for low-income families with children under age three and pregnant women. Early Head Start programs provide early, continuous, intensive and comprehensive child development and family support services on a year-round basis to low-income families. The purpose of the Early Head Start program is to enhance children's physical, social, emotional, and intellectual development; to support parents' efforts to fulfill their parental roles; and to help parents move toward self-sufficiency.

The funds available will be competitively awarded to eligible applicants to operate Early Head Start programs in select service areas. (See Parts I and II of Appendix A for a listing of select service areas.)

Grants will be competitively awarded to eligible applicants, including current Head Start and Early Head Start grantees, to operate Early Head Start programs in select service areas. In awarding these grants, ACYF is interested in assuring that those communities currently served (i.e., the service areas listed in Parts I and II of Appendix A) will have an opportunity to continue receiving services for low-income families with infants and toddlers and pregnant women through Early Head Start. In addition, ACYF wants to ensure continued services for families who are currently receiving EHS services in these communities.

Applicants in each select service area will compete for funds against other

applicants wishing to serve the same select service area.

DATES: The closing date and time for receipt of applications for service areas listed in Part I of Appendix A is 5 p.m. (EST) on December 3, 2001.

The closing date and time for receipt of applications for service areas listed in Part II of Appendix A is 5 p.m. (EST) on April 1, 2002.
