

a 20-year term, subject to valid existing rights. The withdrawal would restrict the BLM from processing or issuing new hardrock prospecting permits and mineral leases on National Forest System lands in the withdrawal boundary. However, the withdrawal would not prohibit ongoing or future exploration or mining extraction operations on valid existing rights, as determined by the BLM.

The withdrawal would not prohibit activities on non-federal (surface and mineral) ownerships. State, county, and private mineral interests could continue to exercise their ownership rights. However, if fee simple title of these lands and minerals were acquired by the United States during the withdrawal period, through means such as purchase or exchange to be managed by the Forest Service, such acquisitions would be subject to the withdrawal. Partial federal mineral interests, where the Federal government owns less than 100 percent of the mineral estate, would also not be affected by the withdrawal. No other management changes would be made affecting access to private inholdings, federal mineral material operations (sand, gravel, and dimension stone), or management of other forest resources such as timber, wildlife, and recreation.

#### Lead and Cooperating Agencies

The Forest Service is the lead agency for preparing the environmental assessment. The BLM is a cooperating agency for the NEPA analysis (40 CFR 1508.1(e)). The BLM will independently evaluate and review the analysis and any other documents needed for the Secretary of the Interior to make a decision on the requested withdrawal.

#### Responsible Official

The Secretary of the Interior is the decision-maker for the requested withdrawal.

#### How To Comment

Comments may be submitted in electronic (preferred) or hard-copy form to the website or addresses provided in the **ADDRESSES** section of this notice. It is important that reviewers provide their comments at such times and in such manner that they are useful to the agency's preparation of the environmental assessment. Therefore, comments should be provided prior to the close of the comment period and should clearly articulate the reviewer's concerns and contentions.

The proposed withdrawal is not subject to Forest Service objection procedures at 36 CFR 218 because the decision to be made is by the Secretary of the Interior.

**SUMMARY:** The Sierra National Forest is proposing to charge new fees at multiple recreation sites listed in **SUPPLEMENTARY INFORMATION** of this notice. Funds from fees would be used for operation, maintenance, and improvements of these recreation sites. Many sites have recently been reconstructed or amenities are being added to improve services and experiences. An analysis of nearby developed recreation sites with similar amenities shows the proposed fees are reasonable and typical of similar sites in the area.

**DATES:** If approved, the new fee would be implemented no earlier than six months following the publication of this notice in the **Federal Register**.

**ADDRESSES:** Sierra National Forest, 1600 Tollhouse Road, Clovis, CA 93611.

**FOR FURTHER INFORMATION CONTACT:** Jody Nickerson-Powell, Forest Recreation Officer, 559-797-7410 or [jody.nickerson@usda.gov](mailto:jody.nickerson@usda.gov).

**SUPPLEMENTARY INFORMATION:** The Federal Recreation Lands Enhancement Act (Title VII, Pub. L. 108-447) directed the Secretary of Agriculture to publish a six-month advance notice in the **Federal Register** whenever new recreation fee areas are established. The fees are only proposed at this time and will be determined upon further analysis and public comment.

Reasonable fees, paid by users of these sites, will help ensure that the Forest can continue maintaining and improving recreation sites like this for future generations.

As part of this proposal, the Jerseydale campground fee is proposed at \$20 per night. The Kirch Flat campground fee is proposed at \$20 per night plus a \$5 extra vehicle fee. Kirch Flat group campground fee is proposed at \$100 per night with a \$5 extra vehicle fee over 14 vehicles.

New fees would provide increased visitor opportunities, as well as increased staffing to address operations

and maintenance needs and enhance customer service. Once public involvement is complete, these new fees will be reviewed by a Recreation Resource Advisory Committee prior to a final decision and implementation.

Advanced reservations for campgrounds and cabins will be available through [www.recreation.gov](http://www.recreation.gov) or by calling 1-877-444-6777. The reservation service charges an \$8.00 fee for reservations.

#### **Polyethylene Terephthalate Film, Sheet, and Strip From Taiwan: Preliminary Results of Antidumping Duty Administrative Review and Preliminary Determination of No Shipments; 2020-2021**

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

This review covers the following producers and exporters from Taiwan: Nan Ya Plastics Corporation (Nan Ya); and Shinkong Materials Technology Corporation (SMTC)/Shinkong Synthetic Fibers Corporation (SSFC). Commerce preliminarily determines that sales of subject merchandise have not been made below normal value (NV) by Nan Ya during the POR. In addition, we preliminarily find that SMTC/SSFC had no shipments during the POR.

Interested parties are invited to comment on these preliminary results.

**SUPPLEMENTARY INFORMATION:**

**Background**

On July 1, 2021, Commerce published in the **Federal Register** a notice of opportunity<sup>1</sup> to request an administrative review of the AD order on PET film from Taiwan.<sup>2</sup> On September 7, 2021, in accordance with 19 CFR 351.221(c)(1)(i), Commerce published a notice of initiation of an administrative review of the *Order*.<sup>3</sup>

On March 3, 2022, in accordance with section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act) and 19 CFR 351.213(h)(2), Commerce extended the due date for the preliminary results by 80 days until June 21, 2022.<sup>4</sup> For a complete description of the events that followed the initiation of this review, see the Preliminary Decision Memorandum.<sup>5</sup>

A list of the topics included in the Preliminary Decision Memorandum is included as the appendix to this notice. number is provided for convenience and for customs purposes, the written product description, available in the PDM, remains dispositive.

**Preliminary Determination of No Shipments**

Based on U.S. Customs and Border Protection's (CBP) response to Commerce's no shipment inquiry as well the certifications and supporting documentation provided by SMTC/SSFC<sup>6</sup> in its no shipment certification, we preliminarily determine that SMTC/SSFC had no shipments of the subject merchandise during the POR. Consistent with Commerce's practice, we will not rescind the review with respect to SMTC/SSFC, but rather will complete the review and issue appropriate liquidation instructions to CBP based on the final results.<sup>7</sup> For additional information regarding this determination, see the Preliminary Decision Memorandum.<sup>8</sup>

**Methodology**

Commerce is conducting this review in accordance with section 751(a)(2) of the Tariff Act of 1930, as amended (the Act). Export price is calculated in accordance with section 772 of the Act. NV is calculated in accordance with section 773 of the Act. For a full description of the methodology underlying these preliminary results, see the Preliminary Decision Memorandum.

**Preliminary Results of Review**

As a result of this review, Commerce preliminarily determines that the following weighted-average dumping margin exists for the period July 1, 2020, through June 30, 2021:

<sup>6</sup> In the 2011-2012 administrative review, we treated SMTC and SSFC as a single entity for purposes of this order. See *Polyethylene Terephthalate Film, Sheet, and Strip from Taiwan: Preliminary Results of Antidumping Duty Administrative Review; 2011-2012*, 78 FR 48651 (August 9, 2013), and accompanying Preliminary Decision Memorandum, unchanged in *Polyethylene Terephthalate Film, Sheet, and Strip from Taiwan: Final Results of Antidumping Duty Administrative Review; 2011-2012*, 79 FR 11407 (February 28, 2014). We have treated SMTC and SSFC as a single entity in all subsequent reviews. There is no information on the record of this administrative review that would lead Commerce to reconsider that determination. Accordingly, we continue to treat SMTC and SSFC as a single entity for purposes of this administrative review.
