

the project, including formal training or work experience in fields related to the objectives of the project and experience in designing, managing, or implementing similar projects for the target population to be served by the project.

(e) *Quality of the Project Evaluation or Other Evidence-building* (10 Points):

The Secretary considers the quality of the evaluation or other evidence-building of the proposed project. In determining the quality of the evaluation or other evidence-building, the Secretary considers the following factors:

(1) The extent to which the methods of evaluation or other evidence-building are thorough, feasible, relevant, and appropriate to the goals, objectives, and outcomes of the proposed project.

(2) The extent to which the methods of evaluation or other evidence-building include the use of objective performance measures that are clearly related to the intended outcomes of the project and will produce quality data that are quantitative and qualitative.

(3) The extent to which the methods of evaluation or other evidence-building will provide performance feedback and provide formative, diagnostic, or interim data that is a periodic assessment of progress toward achieving intended outcomes.”

DEPARTMENT OF EDUCATION

Applications for New Awards; Independent Living Services for Older Individuals Who Are Blind Program—Independent Living Services for Older Individuals Who Are Blind (OIB) Training and Technical Assistance; Corrections

AGENCY: Office of Special Education and Rehabilitative Services, Department of Education.

ACTION: Notice; corrections.

SUMMARY: On January 14, 2025, we published in the **Federal Register** the Notice Inviting Applications (NIA) for the FY 2025 Independent Living Services for Older Individuals Who Are Blind Program—Independent Living Services for Older Individuals Who Are Blind Training and Technical Assistance competition, Assistance Listing Number 84.177Z. On February 10, 2025, we published in the **Federal Register** a correction to the original NIA, which set revised dates for when the applications would be available, the application transmittal deadline, and the intergovernmental review deadline. With this correction notice, we are revising the selection criteria as described further in **SUPPLEMENTARY INFORMATION**, extending the deadline date for the transmittal of applications until March 31, 2025, and the deadline date for intergovernmental review until May 30, 2025. All other information in the NIA remains the same.

DATES: These corrections are applicable on March 7, 2025.

FOR FURTHER INFORMATION CONTACT: Mary Williams, U.S. Department of Education, 400 Maryland Avenue SW, Room 4A220, Washington, DC 20202–5076. Telephone: (202) 245–6263. Email: mary.williams@ed.gov.

If you are deaf, hard of hearing, or have a speech disability and wish to access telecommunications relay services, please dial 7–1–1.

SUPPLEMENTARY INFORMATION: On January 14, 2025, we published in the **Federal Register** (90 FR 3188) the NIA for the FY 2025 Independent Living Services for Older Individuals Who Are

Blind Program—Independent Living Services for Older Individuals Who Are Blind Training and Technical Assistance competition, Assistance Listing Number 84.177Z. The Department is correcting the NIA by removing two selection criteria (*Quality of project services* and *Quality of the project personnel*), amending factors under two selection criteria (four factors previously under *Quality of project services* are moved to *Quality of the project design*, one factor under *Quality of the project personnel* is moved to *Quality of the management plan*, two factors under *Quality of project personnel* are removed, and one factor is removed from and another added to *Quality of the management plan*), changing the point distribution for the selection criteria section, and extending the deadline for transmittal of applications for the 2025 competition and the deadline date for intergovernmental review. The Department is correcting this NIA as part of a comprehensive review of recently published FY 2025 NIAs. This reevaluation seeks to ensure that all priorities and requirements for the Department’s FY 2025 competitions align with the objectives established by the Trump Administration while fostering consistency across all grant programs. Additionally, the Department is dedicated to optimizing the impact of our grant competitions on students and families, as well as enhancing the economic effectiveness of federal education funding. All other information in the NIA remains the same.

The Department will not consider applications submitted prior to March 7, 2025. Applicants that have already submitted an application under the FY 2025 Independent Living Services for Older Individuals Who Are Blind Program—Independent Living Services for Older Individuals Who Are Blind Training and Technical Assistance competition must submit an updated application on or before the extended application deadline of March 31, 2025, for the application to be reviewed. Program staff will endeavor to notify applicants that have already submitted an application of the requirement to submit an updated application. The Department will consider the application that is last submitted and timely received by 11:59:59 p.m., Eastern Time, on March 31, 2025.

Program Authority: 29 U.S.C. 796j–1.

Corrections

In FR Doc. 2025–00533, published in the **Federal Register** of January 14, 2025

(90 FR 3188), we make the following corrections:

1. On page 3188, in the third column, the text under the **DATES** preamble is corrected to read as follows:

Applications Available: January 15, 2025.

Deadline for Intergovernmental Review: May 30, 2025.

2. On page 3191, in the second column, “1. *Selection Criteria:*” is corrected to read as follows:

“1. *Selection Criteria:* The selection criteria for this competition are from 34 CFR 75.210 and are as follows:

(a) *Significance (15 points).*

(1) The Secretary considers the significance of the proposed project.

(2) In determining the significance of the proposed project, the Secretary considers the following factors:

(i) The likelihood that the proposed project will result in systemic change that supports continuous, sustainable, and measurable improvement.

(ii) The extent to which the proposed project is likely to build local, State, regional, or national capacity to provide, improve, sustain, or expand training or services that address the needs of underserved populations.

(iii) The importance or magnitude of the results or outcomes likely to be attained by the proposed project, especially improvements in independent living services.

(b) *Quality of the project design (35 points).*

(1) The Secretary considers the quality of the design of the proposed project.

(2) In determining the quality of the design of the proposed project, the Secretary considers the following factors:

(i) The extent to which the goals, objectives, and outcomes to be achieved by the proposed project are clearly specified, measurable, and ambitious yet achievable within the project period, and aligned with the purposes of the grant program.

(ii) The extent to which the proposed project demonstrates that it is designed to build capacity and yield sustainable results that will extend beyond the project period.

(iii) The extent to which the proposed project will include coordination with other Federal investments, as well as appropriate agencies and organizations providing similar services to the target population.

(iv) The quality of the logic model or other conceptual framework underlying the proposed project, including how inputs are related to outcomes.

(v) The extent to which the services to be provided by the proposed project reflect up-to-date knowledge and an evidence-based project component.

(vi) The extent to which the services to be provided by the proposed project were determined with input from the community to be served to ensure that they are appropriate and responsive to the needs of the intended recipients or beneficiaries, including underserved populations, of those services.

(vii) The extent to which the services to be provided by the proposed project involve the collaboration of appropriate partners, including those from underserved populations, to maximize the effectiveness of project services.

(viii) The extent to which the services to be provided by the proposed project involve the use of efficient strategies, including the use of technology, as appropriate, and the leveraging of non-project resources.

(c) *Quality of the project evaluation or other evidence-building. (15 points).*

(1) The Secretary considers the quality of the evaluation or other evidence-building of the proposed project.

(2) In determining the quality of the evaluation or other evidence-building, the Secretary considers the following factors:

(i) The extent to which the methods of evaluation or other evidence-building are thorough, feasible, relevant, and appropriate to the goals, objectives, and outcomes of the proposed project.

(ii) The extent to which the methods of evaluation or other evidence-building are appropriate to the context within which the project operates and the target population of the proposed project.

(iii) The extent to which the methods of evaluation or other evidence-building will provide performance feedback and provide formative, diagnostic, or interim data that is a periodic assessment of progress toward achieving intended outcomes.

(iv) The extent to which the methods of evaluation or other evidence-building include the use of objective performance measures that are clearly related to the intended outcomes of the project and will produce quality data that are quantitative and qualitative.

(d) *Adequacy of resources (10 points).*

(1) The Secretary considers the adequacy of resources for the proposed project.

(2) In determining the adequacy of resources for the proposed project, the Secretary considers the following factors:

(i) The adequacy of support for the project, including facilities, equipment,

supplies, and other resources, from the applicant or the lead applicant organization.

(ii) The extent to which the budget is adequate to support the proposed project and the costs are reasonable in relation to the objectives, design, and potential significance of the proposed project.

(iii) The relevance and demonstrated commitment of each partner in the proposed project to the implementation and success of the project.

(e) *Quality of the management plan (25 points).*

(1) The Secretary considers the quality of the management plan for the proposed project.

(2) In determining the quality of the management plan for the proposed project, the Secretary considers the following factors:

(i) The feasibility of the management plan to achieve project objectives and goals on time and within budget, including clearly defined responsibilities, timelines, and milestones for accomplishing project tasks;

(ii) The extent to which the time commitments of the project director and principal investigator and other key project personnel are appropriate and adequate to meet the objectives of the proposed project;

(iii) The adequacy of mechanisms for ensuring high-quality and accessible products and services from the proposed project for the target population.

(iv) The qualifications, including relevant training and experience, of project consultants or subcontractors.

(v) The extent to which the project director or principal investigator, when hired, has the qualifications required for the project, including formal training or work experience in fields related to the objectives of the project and experience in designing, managing, or implementing similar projects for the target population to be served by the project.”

DEPARTMENT OF ENERGY

Federal Energy Regulatory Commission

[Project No. 4472–031]

Union Falls Hydropower, L.P.; Notice of Availability of Environmental Assessment

In accordance with the National Environmental Policy Act of 1969 and the Federal Energy Regulatory Commission's (Commission) regulations, 18 CFR part 380, the Office of Energy Projects has reviewed the application for a new license to continue to operate and maintain the Saranac Hydroelectric Project No. 4472. The project is located on the Saranac River in Franklin and Clinton Counties, New York. Commission staff has prepared an Environmental Assessment (EA) for the project.

The EA contains staff's analysis of the potential environmental impacts of the project and concludes that licensing the project, with appropriate environmental protective measures, would not constitute a major federal action that would significantly affect the quality of the human environment.

The Commission provides all interested persons with an opportunity to view and/or print the EA via the internet through the Commission's Home Page (<https://www.ferc.gov/>), using the "eLibrary" link. Enter the docket number, excluding the last three digits in the docket number field, to access the document. For assistance, contact FERC Online Support at

FERCOnlineSupport@ferc.gov, or at (866) 208–3676 (toll-free), or (202) 502–8659 (TTY).

You may also register online at <https://ferconline.ferc.gov/ferconline.aspx> to be notified via email of new filings and issuances related to this or other pending projects. For assistance, contact FERC Online Support.

Any comments should be filed within 30 days from the date of this notice.

The Commission strongly encourages electronic filing. Please file comments using the Commission's eFiling system at <https://ferconline.ferc.gov/ferconline.aspx>. Commenters can submit brief comments up to 6,000 characters, without prior registration, using the eComment system at <https://ferconline.ferc.gov/QuickComment.aspx>. DEPARTMENT OF ENERGY

Federal Energy Regulatory Commission

[Project No. 2513–000]

Green Mountain Power Corporation; Notice of Authorization for Continued Project Operation

The license for the Essex No. 19 Hydroelectric Project No. 2513 was issued for a period ending February 28, 2025.

Section 15(a)(1) of the FPA, 16 U.S.C. 808(a)(1), requires the Commission, at the expiration of a license term, to issue from year-to-year an annual license to the then licensee(s) under the terms and conditions of the prior license until a new license is issued, or the project is otherwise disposed of as provided in section 15 or any other applicable section of the FPA. If the project's prior license waived the applicability of section 15 of the FPA, then, based on section 9(b) of the Administrative Procedure Act, 5 U.S.C. 558(c), and as set forth at 18 CFR 16.21(a), if the licensee of such project has filed an application for a subsequent license, the licensee may continue to operate the project in accordance with the terms and conditions of the license after the minor or minor part license expires, until the Commission acts on its application. If the licensee of such a project has not filed an application for a subsequent license, then it may be required, pursuant to 18 CFR 16.21(b), to continue project operations until the Commission issues someone else a license for the project or otherwise orders disposition of the project.

If the project is subject to section 15 of the FPA, notice is hereby given that an annual license for Project No. 2513 is issued to Green Mountain Power Corporation for a period effective March 1, 2025, through February 28, 2026, or until the issuance of a new license for the project or other disposition under the FPA, whichever comes first.

If issuance of a new license (or other disposition) does not take place on or before February 28, 2026, notice is hereby given that, pursuant to 18 CFR 16.18(c), an annual license under section 15(a)(1) of the FPA is renewed automatically without further order or notice by the Commission, unless the Commission orders otherwise.

If the project is not subject to section 15 of the FPA, notice is hereby given that Green Mountain Power Corporation is authorized to continue operation of the Essex No. 19 Hydroelectric Project under the terms and conditions of the prior license until the issuance of a
