Agency Information Collection Activities; Revision of a Currently Approved Collection: Generic Clearance for the Collection of Qualitative Feedback on Agency Service Delivery

AGENCY: Federal Motor Carrier Safety Administration (FMCSA), DOT.

ACTION: Notice and request for comments.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995, FMCSA announces its plan to submit the Information Collection Request (ICR) described below to the Office of Management and Budget (OMB) for its review and approval and invites public comment. The FMCSA requests approval to revise an existing ICR titled, “Generic Clearance for the Collection of Qualitative Feedback on Agency Service Delivery,” due to an increase in the annual cost to respondents. This ICR

will allow for ongoing, collaborative and actionable communication between FMCSA and its customers and stakeholders. It will also allow feedback to contribute directly to the improvement of program management. On April 18, 2014, FMCSA published a **Federal Register** notice allowing for a 60-day comment period on this ICR. The agency received no comments in response to that notice.

DATES: Please send your comments to this notice by August 11, 2014. OMB must receive your comments by this date to act quickly on the ICR.

ADDRESSES: All comments should reference Federal Docket Management System (FDMS) Docket Number FMCSA–2014–0240. Interested persons are invited to submit written comments on the proposed information collection to the Office of Information and Regulatory Affairs, Office of Management and Budget. Comments should be addressed to the attention of the Desk Officer, Department of Transportation/Federal Motor Carrier Safety Administration, and sent via electronic mail to oira_submission@omb.eop.gov, faxed to (202) 395–6974, or mailed to the Office of Information and Regulatory Affairs, Office of Management and Budget, Docket Library, Room 10102, 725 17th Street NW., Washington, DC 20503.

FOR FURTHER INFORMATION CONTACT: Mr. Brian Ronk, Program Manager, FMCSA, Office of Enforcement and Program Delivery, Outreach Division/MC–ESO. Telephone (202) 366–1072; or email brian.ronk@dot.gov. Department of Transportation, Federal Motor Carrier Safety Administration, 1200 New Jersey Avenue SE., Washington, DC 20590.

SUPPLEMENTARY INFORMATION:

Title: Generic Clearance for the Collection of Qualitative Feedback on Agency Service Delivery.

OMB Control Number: 2126–0049.

Type of Request: Revision of a currently-approved information collection.

Respondents: State and local agencies, general public and stakeholders, original equipment manufacturers (OEM) and suppliers to the commercial motor vehicle (CMV) industry, fleets, owner-operators, state CMV safety agencies, research organizations and

contractors, news organizations, safety advocacy groups, and other Federal agencies.

Estimated Number of Respondents: 14,100.

Estimated Time per Response: Range from 5–30 minutes.

Expiration Date: September 30, 2014.

Frequency of Response: Generally, on an annual basis.

Estimated Total Annual Burden: 3,450.

Background: Executive Order 12862 “Setting Customer Service Standards,” direct Federal agencies to provide service to the public that matches or exceeds the best service available in the private sector (58 FR 48257, Sept. 11, 1993). In order to work continuously to ensure that our programs are effective and meet our customers’ needs, FMCSA seeks to obtain OMB approval of a generic clearance to collect qualitative feedback from our customers on our service delivery. The surveys covered in this generic clearance will provide a means for FMCSA to collect this data directly from our customers. The information collected from our customers and stakeholders will help ensure that users have an effective, efficient, and satisfying experience with FMCSA’s programs. This feedback will provide insights into customer or stakeholder perceptions, experiences and expectations, provide an early warning of issues with service, or focus attention on areas where communication, training or changes in operations might improve delivery of products or services. It will also allow feedback to contribute directly to the improvement of program management. The responses to the surveys will be voluntary and will not involve information that is required by regulations.

Public Comments Invited

FMCSA requests that you comment on any aspect of this information collection, including: (1) Whether the proposed collection is necessary for FMCSA to perform its functions, (2) the accuracy of the estimated burden, (3) ways for the FMCSA to enhance the quality, usefulness, and clarity of the collected information, and (4) ways that the burden could be minimized without reducing the quality of the collected information. The agency will summarize or include your comments in the request for OMB’s clearance of this information collection.

Issued under the authority delegated in 49 CFR 1.87 on: July 1, 2014.
