

celery (*Eryngium racemosum*), striped adobe-lily (= Greenhorn) (*Fritillaria striata*), Bogg's Lake hedge-hyssop (*Gratiola heterosepala*), pale-yellow layia (*Layia heterotricha*), Comanche layia (*Layia leucopappa*), legenere (*Legenere limosa*), Congdon's lewisia (*Lewisia congdonii*), Mason's lilaeopsis (*Lilaeopsis masonii*), Mariposa lupine (*Lupinus citrinus* var. *deflexus*), showy madia (*Madia radiata*), Hall's bush mallow (*Malacothamnus hallii*), pincushion navarretia (*Navarretia myersii* spp. *myersii*), oil neststraw (*Stylocline citroleum*), and Jared's pepper grass (*Lepidium jaredii* ssp. *jaredii*). Species may be added or deleted during the course of Plan development based on further analysis, new information, agency consultation, and public comment.

The Plan area includes the network of PG&E facilities within approximately 12,094,000 acres of the San Joaquin Valley. The Plan area comprises portions of nine counties: San Joaquin, Stanislaus, Merced, Fresno, Kings, Kern, Mariposa, Madera, and Tulare. The boundaries of the Plan area are generally defined by the north and eastern boundaries of San Joaquin and Stanislaus County lines, until reaching Mariposa County where it follows the 3,000-foot elevation contour or Federal lands, whichever is lower, south along the western Sierra Nevada foothills. On the west side of the San Joaquin Valley, the plan boundary follows the western boundary of San Joaquin, Stanislaus, Merced, Fresno, Kings, and Kern Counties. The southern limit of the plan area boundary is the 3,000-foot elevation contour near the Kern County line.

Implementation activities that may be covered under the Plan include activities associated with the operation, maintenance, and minor construction of PG&E's gas and electric transmission and distribution system as mandated for public safety by the California Public Utilities Commission, the California Energy Commission, and the Department of Transportation. More specifically, these activities may include: gas pipeline protection, recoating, repair and replacement; electric line protection, repair, reconducting, and replacement; electric pole repair/replacement; vegetation management to maintain clearances around facilities; and minor new gas and electric extensions. Under the Plan, the effects on covered species of the covered activities are expected to be minimized and mitigated through participation in a conservation program, which will be fully described in the Plan. This conservation program would

focus on providing long-term protection of covered species by protecting biological communities in the Plan area.

Components of this conservation program are now under consideration by the Service and PG&E. These components will likely include: avoidance and minimization measures, monitoring, adaptive management, and mitigation measures consisting of preservation, restoration and enhancement of habitat.

Environmental Impact Statement/ Environmental Impact Report

PG&E and the Service have selected Jones & Stokes to prepare the Draft EIS/EIR. The joint document will be prepared in compliance with NEPA and the California Environmental Quality Act (CEQA). Although Jones & Stokes will prepare the EIS/EIR, the Service will be responsible for the scope and content of the document for NEPA purposes, and DFG will be responsible for the scope and content of the CEQA document, as the state lead agency pursuant to CEQA and the permitting entity pursuant to the California Endangered Species Act and Fish and Game Code 2081.

The EIS/EIR will consider the proposed action (*i.e.*, the issuance of a Section 10(a)(1)(B) permit under the Act), and a reasonable range of alternatives. A detailed description of the proposed action and alternatives will be included in the EIS/EIR. It is anticipated that several alternatives will be developed, which may vary by the level of conservation, impacts caused by the proposed activities, permit area, covered species, or a combination of these factors. Additionally, a No Action alternative will be considered. Under the No Action alternative, the Service would not issue a section 10(a)(1)(B) permit.

The EIS/EIR will also identify potentially significant impacts on biological resources, land use, air quality, water quality, mineral resources, water resources, economics, and other environmental issues that could occur directly or indirectly with implementation of the proposed action and alternatives. For all potentially significant impacts, the EIS/EIR will identify mitigation measures where feasible to reduce these impacts to a level below significance.

Environmental review of the EIS/EIR will be conducted in accordance with the requirements of NEPA (42 U.S.C. 4321 *et seq.*), its implementing regulations (40 CFR 1500–1508), other applicable regulations, and Service procedures for compliance with those regulations. This notice is being

furnished in accordance with 40 CFR 1501.7 of NEPA to obtain suggestions and information from other agencies and the public on the scope of issues and alternatives to be addressed in the EIS/EIR. The primary purpose of the scoping process is to identify important issues raised by the public, related to the proposed action. Written comments from interested parties are invited to ensure that the full range of issues related to the permit request are identified. While written comments are encouraged, we will accept both written and oral comments at the public meeting. In addition, you may submit written comments by mail or facsimile transmission (see **ADDRESSES**). All comments received, including names and addresses, will become part of the official administrative record and may be made available to the public.

Dated: March 17, 2004.

Ken McDermond,

Deputy Manager, Region 1, California/Nevada Operations Office, Sacramento, California.

DEPARTMENT OF THE INTERIOR

Bureau of Land Management

[CA–310–0777–XG]

Notice of Public Meeting: Northwest California Resource Advisory Council

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of public meeting.

SUMMARY: In accordance with the Federal Land Policy and Management Act of 1976 (FLPMA), and the Federal Advisory Committee Act of 1972 (FACA), the U. S. Department of the Interior, Bureau of Land Management (BLM) Northwest California Resource Advisory Council will meet as indicated below.

DATES: The meeting will be held Thursday, May 6 and Friday, May 7, 2004, in Redding, California. On May 6, the meeting begins at 10 a.m. at the BLM Redding Field Office, 355 Hemsted Drive. Members will depart for a field tour of public lands in the Sacramento River Bend Area. On May 7, the meeting begins at 8 a.m. at the McConnell Foundation headquarters, 800 Shasta View Drive in Redding. Time for public comment has been set aside for 1 p.m.

FOR FURTHER INFORMATION CONTACT: Francis Berg, BLM Redding Field Office, 355 Hemsted Dr., (530) 224–2100; or BLM Public Affairs Officer Joseph J. Fontana, (530) 252–5332.

SUPPLEMENTARY INFORMATION: The 12-member council advises the Secretary of the Interior, through the BLM, on a variety of planning and management issues associated with public land management in Northwest California. At this meeting, agenda topics will include discussion of recreation management on BLM-managed lands in Northwest California, an agreement with the state Department of Forestry and Fire Protection on fire protection zones, and issue scoping for development of a Resource Management Plan for the BLM Ukiah Field Office. The RAC members will also hear status reports from the Arcata, Redding and Ukiah field office managers. All meetings are open to the public. Members of the public may present written comments to the council. Each formal council meeting will have time allocated for public comments. Depending on the number of persons wishing to speak, and the time available, the time for individual comments may be limited. Members of the public are welcome on field tours, but they must provide their own transportation and lunch. Individuals who plan to attend and need special assistance, such as sign language interpretation and other reasonable accommodations, should contact the BLM as provided above.

Dated: March 19, 2004.

Joseph J. Fontana,
Public Affairs Officer.

[OR-100-5882-AF; HAG04-0114]

Notice of Public Meeting, Roseburg Resource Advisory Committee Meeting

AGENCY: Bureau of Land Management, Interior.

ACTION: Notification of meetings for the Roseburg District Bureau of Land Management (BLM) Resource Advisory Committee under Section 205 of the Secure Rural Schools and Community Self Determination Act of 2000 (Pub. L. 106-393).

SUMMARY: This notice is published in accordance with Section 10(a)(2) of the Federal Advisory Committee Act. Meeting notice is hereby given for the Roseburg District BLM Resource Advisory Committee pursuant to Section 205 of the Secure Rural School and Community Self Determination Act of 2000, Public Law 106-393 (the Act).

Topics to be discussed by the Roseburg District BLM Resource Advisory Committee include specific information of specific projects and/or decisions on specific projects.

DATES: The Roseburg Resource Advisory Committee will meet at the BLM Roseburg District Office, 777 NW. Garden Valley Boulevard, Roseburg, Oregon 97470 on April 26, May 17, June 21, June 28, July 12, and July 19, 2004 from 9 a.m. to 4 p.m. The May 17 meeting will include an all day field trip. For briefing information please refer to HAG-03-0134.

SUPPLEMENTARY INFORMATION: Pursuant to the Act, five Resource Advisory Committees have been formed for western Oregon BLM district that contain Oregon & California (O&C) Grant Lands and Coos Bay Wagon Road lands. The Act establishes a six-year payment schedule to local counties in lieu of funds derived from the harvest of timber on federal lands, which have dropped dramatically over the past 10 years.

The Act creates a new mechanism for local community collaboration with federal land management activities in the selection of projects to be conducted on federal lands or that will benefit resources on federal lands using funds under Title II of the Act. The Roseburg District BLM Resource Advisory Committee consists of 15 local citizens (plus 6 alternates) representing a wide array of interests.

FOR FURTHER INFORMATION CONTACT: Additional information concerning the Roseburg District BLM Resource Advisory Committee may be obtained from E.Lynn Burkett, Public Affairs Officer, Roseburg District Office, 777 NW. Garden Valley Blvd., Roseburg, Oregon 97470 or elynn_burkett@blm.gov, or on the Web at www.or.blm.gov.

Dated: March 2, 2004.

Jay Carlson,
Roseburg District Manager.

Minerals Management Service

Notice of Availability of the Proposed Notice of Sale for Outer Continental Shelf (OCS) Oil and Gas Lease Sale 192 in the Western Gulf of Mexico (GOM)

AGENCY: Minerals Management Service, Interior.

ACTION: Notice of availability of the proposed notice of sale for proposed sale 192.

SUMMARY: The MMS announces the availability of the proposed notice of sale for proposed Sale 192 in the Western GOM OCS. This notice is published pursuant to 30 CFR 256.29(c) as a matter of information to the public. With regard to oil and gas leasing on the OCS, the Secretary of the Interior, pursuant to section 19 of the OCS Lands Act, provides the affected States the opportunity to review the proposed Notice. The proposed Notice sets forth the proposed terms and conditions of the sale, including minimum bids, royalty rates, and rentals.

DATES: Comments on the size, timing, or location of proposed Sale 192 are due from the affected States within 60 days following their receipt of the proposed Notice. The final Notice of Sale will be published in the **Federal Register** at least 30 days prior to the date of bid opening. Bid opening is currently scheduled for August 18, 2004.

SUPPLEMENTARY INFORMATION: The proposed Notice of Sale for Sale 192 and a "Proposed Sale Notice Package" containing information essential to potential bidders may be obtained from the Public Information Unit, Gulf of Mexico Region, Minerals Management Service, 1201 Elmwood Park Boulevard, New Orleans, Louisiana 70123-2394. Telephone: (504) 736-2519.

Dated: March 16, 2004.

Walter D. Cruickshank,
Acting Director, Minerals Management Service.
