SUPPLEMENTARY INFORMATION:

Scope.—For purposes of this investigation, Commerce has defined the subject merchandise as “large top mount combination refrigerator-freezers with a refrigerated volume of at least 15.6 cubic feet or 442 liters. For the purposes of this investigation, the term “large top mount combination refrigerator-freezers” consists of freestanding or built-in cabinets that have an integral source of refrigeration using compression technology, with all of the following characteristics:

- The cabinet contains at least two interior storage compartments accessible through two separate external doors;
- The lower-most interior storage compartment(s) that is accessible through an external door is a fresh food or convertible compartment, but is not a freezer compartment; however, the existence of an interior sub-compartment for ice-making in the lower-most storage compartment does not render the lower-most storage compartment a freezer compartment; and
- There is a freezer or convertible compartment that is mounted above the lower-most interior storage compartment(s).

For the purposes of the investigation, a fresh food compartment is capable of storing food at temperatures above 32 degrees F (0 degrees C), a freezer compartment is capable of storing food at temperatures at or below 32 degrees F (0 degrees C), and a convertible compartment is capable of operating as either a fresh food compartment or a freezer compartment, as defined in this paragraph.”

Background.—The final phase of this investigation is being scheduled, pursuant to section 735(b) of the Tariff Act of 1930 (19 U.S.C. 1673d(b)), as a result of an affirmative preliminary determination by Commerce that imports of large top-mount combination refrigerator-freezers from Thailand are being sold in the United States at less than fair value within the meaning of § 733 of the Act (19 U.S.C. 1673b). The investigation was requested in a petition filed on May 30, 2024, by Electrolux Consumer Products, Inc., Charlotte, North Carolina.

For further information concerning the conduct of this phase of the investigation, hearing procedures, and

rules of general application, consult the Commission's Rules of Practice and Procedure, part 201, subparts A and B (19 CFR part 201), and part 207, subparts A and C (19 CFR part 207).

A party that filed a notice of appearance during the preliminary phase of the investigation need not file an additional notice of appearance during this final phase. The Secretary will maintain a public service list containing the names and addresses of all persons, or their representatives, who are parties to the investigation.

Please note the Secretary's Office will accept only electronic filings during this time. Filings must be made through the Commission's Electronic Document Information System (EDIS, <https://edis.usitc.gov>). I. Procedural Schedule

Intervention. The deadline to file a notice of intervention pursuant to 39 CFR 3010.142 is February 21, 2025.

Discovery. At the prehearing video conference conducted on February 4, 2025, the parties agreed to a discovery process based upon the date that the Commission issues an Order addressing the Postal Service's pending motion.¹ The parties agreed to propound discovery independently upon each other. Information requests may be transmitted via email, with the Presiding Officer cc'ed, no later than 10 days after the date that the Commission issues an Order resolving the Motion.² Information requests need not be filed on the Commission's public docket. Responses to information requests are due no later than 21 days after submission to the other party. Responses to information requests will be transmitted via email, with the Presiding Officer cc'ed, by the date and time due. Responses to information requests need not be filed on the Commission's public docket. The Presiding Officer may also issue information requests. 39 CFR 3010.106(c)(3). The parties are advised, however, that the burden rests on the parties to request the evidence that they need to support their case.

Prehearing videoconference. A prehearing videoconference will be held shortly after the deadline for parties to respond to information requests. The Presiding Officer will issue a subsequent Presiding Officer Ruling scheduling the prehearing videoconference with a date certain as that deadline approaches. The videoconference will discuss procedures for the presentation of evidence and legal arguments, the need for any additional information requests, as well as the resolution of any pending discovery-related disputes. Additional prehearing conference may be scheduled as needed.

Presentation of evidence. The issue of whether the hearing will involve the presentation of oral versus written

² 39 CFR 3010.108 governs the computation of time in this proceeding.

testimony (including whether it may be appropriate to supplement written testimony with oral testimony for certain witnesses on particular issues in dispute) will be addressed more fully at next prehearing videoconference.

Hearing. The date on which the hearing of evidence shall begin will be addressed at the next prehearing teleconference.

II. Additional Case Management Procedures

Good faith effort to confer. A good faith effort to confer with the opposing party requires at least the placing of one telephone call or the transmittal of one email message to the opposing party or its counsel.

Discovery motions. The parties must make a good faith effort to confer with the opposing party to attempt to resolve any discovery dispute before filing any motions related to discovery. The Presiding Officer will not entertain a motion to compel discovery, motion for sanctions, motion for protective order, or any other discovery motions until this good faith effort has been made. If this good faith effort is unsuccessful, the motion shall (1) state that a good faith effort has been made to resolve the dispute, (2) attach each disputed discovery request, answer, and objection (if applicable), (3) provide available dates and times for a hearing to be conducted by videoconference, and (4) concisely state the relief sought, the basis therefor, and the authority relied upon. Any party opposing the motion shall file a response no later than 7 days after the motion is filed. See 39 CFR 3010.160(b). No replies shall be permitted without the express authorization of the Presiding Officer. See 39 CFR 3010.160(c). Failure to file a timely response may result in the motion being deemed unopposed. The Presiding Officer may decide the dispute based on the motion and any response, set a hearing to be conducted by videoconference, or order further briefing.

Extension of time or continuance. If either party seeks an extension of time or continuance, they must make a good faith effort to confer with the opposing party to determine a proposed mutually agreeable date before filing a motion. The motion must be filed before the specific deadline expires and shall state whether the other party opposes the motion. Extensions of time or continuances will only be granted for good cause shown.

Waiver or modification. If either party seeks to waive or modify the terms of any Presiding Officer's Ruling, the party must make a good faith effort to confer
