The Secretariat shall prepare a factual record if the Council, by vote of any Party, instructs it to do so. For more information on factual records, see the Web site of the CAFTA–DR Secretariat, available at: www.saa-sem.org.

Pursuant to paragraph 2(d) of the Understanding Regarding the Establishment of a Secretariat for Environmental Matters Under CAFTA–DR (the Understanding), the Council shall establish a roster of environmental experts, comprising persons with a demonstrated record of good judgment, objectivity, and environmental

- Ensure that his or her work complies with all applicable laws and regulations; and
- Promptly disclose any interest, relationship or matter that is likely to affect the expert’s independence or impartiality or that might reasonably create an appearance of impropriety or an apprehension of bias in his work.
