POLICIES AND PRACTICES FOR STORAGE OF RECORDS:

Records may be stored electronically or on paper in secure facilities in a locked drawer behind a locked door. The records may be stored on magnetic disc, tape, or digital media; in agency-owned cloud environments; or in vendor Cloud Service Offerings certified

under the Federal Risk and Authorization Management Program (FedRAMP).

POLICIES AND PRACTICES FOR RETRIEVAL OF RECORDS:

Records may be retrieved by full name, email address, DoD ID, and/or username/profile number.

POLICIES AND PRACTICES FOR RETENTION AND DISPOSAL OF RECORDS:

A. SECO user accounts and records are deleted 5 years after notification of separation, retirement, or discharge of the spouse's sponsor/service member.

B. MyCAA records are destroyed 10 years after notification of separation, retirement, or discharge of the spouse's sponsor/service member.

C. MSEP records are destroyed or deleted when 5 years old or when no longer needed for operational purposes, whichever is later.

ADMINISTRATIVE, TECHNICAL, AND PHYSICAL SAFEGUARDS:

The DoD safeguards records in this system of records according to applicable rules, policies, and procedures, including all applicable DoD automated systems security and access policies. DoD policies require the use of controls to minimize the risk of compromise of personally identifiable information (PII) in paper and electronic form and to enforce access by those with a need to know and with appropriate clearances. Additionally, the DoD established security audit and accountability policies and procedures which support the safeguarding of PII and detection of potential PII incidents. The DoD routinely employs safeguards such as the following to information systems and paper recordkeeping systems: Multifactor log-in authentication including Common Access Card (CAC) authentication and password; physical token as required; physical and technological access controls governing access to data; network encryption to protect data transmitted over the network; disk encryption securing disks storing data; key management services to safeguard encryption keys; masking of sensitive data as practicable; mandatory information assurance and privacy training for individuals who will have access; identification, marking, and safeguarding of PII; physical access safeguards including multifactor identification physical access controls, detection and electronic alert systems for access to servers and other network infrastructure; and electronic intrusion detection systems in DoD facilities.

RECORD ACCESS PROCEDURES:

Individuals seeking access to their records should address written inquiries to the Office of the Secretary of Defense/ Joint Staff Freedom of Information Act Requester Service Center, 1155 Defense Pentagon, Washington, DC 20301-1155. Signed written requests should contain the name and number of this system of records notice along with full name, DoD ID number, current address, telephone number, and email address of the individual. In addition, the requester must provide either a notarized statement or an unsworn declaration made in accordance with 28 U.S.C. 1746, in the appropriate format:

If executed outside the United States: "I declare (or certify, verify, or state) under penalty of perjury under the laws of the United States of America that the foregoing is true and correct. Executed on (date). (Signature)."

If executed within the United States, its territories, possessions, or commonwealths: "I declare (or certify, verify, or state) under penalty of perjury that the foregoing is true and correct. Executed on (date). (Signature)."

CONTESTING RECORD PROCEDURES:

The DoD rules for accessing records, contesting contents, and appealing initial Component determinations are contained in 32 CFR part 310, or may be obtained from the system manager.

NOTIFICATION PROCEDURES:

Individuals seeking to determine whether information about themselves is contained in this system of records should follow the instructions for Record Access Procedures above.

EXEMPTIONS PROMULGATED FOR THE SYSTEM:

SUPPLEMENTARY INFORMATION:

Full Text of Announcement

I. Funding Opportunity Description

Purpose of Program: The purpose of this program is to establish a coordinating center for institutions of higher education that offer inclusive comprehensive transition and postsecondary programs for students with intellectual disabilities, including institutions that have grants authorized under the Transition Programs for Students with Intellectual Disabilities into Higher Education (TPSID) program

(CFDA 84.407A), as well as those not participating in the TPSID program.

Background: The TPSID-CC program provides for the establishment of a technical assistance center to translate and disseminate research and best practices for all institutions of higher education (IHEs), including those not participating in the TPSID program, for improving inclusive postsecondary education for students with intellectual disabilities (SWIDs). This center will help ensure that knowledge and products gained through research will reach more IHEs and students and improve postsecondary educational opportunities for SWIDs. Moreover, the purpose of the TPSID-CC program is to support a national coordinating center charged with conducting and disseminating research on strategies to promote positive academic, social, employment, and independent living outcomes for students with intellectual disabilities. The TPSID-CC will establish a comprehensive research and evaluation protocol for TPSID programs; administer a mentoring program matching current and new TPSID grantees based on areas of expertise; and coordinate longitudinal follow up data collection and technical assistance to TPSID grantees on programmatic components and evidence-based practices. The TPSID-CC will also provide technical assistance to build the capacity of kindergarten through grade 12 transition services and support postsecondary education inclusive practices, among other activities. Since FY 2010, the Department has awarded grants under the TPSID-CC program to translate and disseminate research and best practices for all IHEs, including those not participating in the TPSID program, for improving inclusive postsecondary education for SWIDs. Since FY 2021, the Department has separately awarded a Postsecondary Programs for Students with Intellectual Disabilities-National Technical Assistance and Dissemination Center (PPSID-NTAD) grant to establish a separate Center to translate and disseminate to IHEs research and best practices for improving inclusive postsecondary education for SWIDs; including not only those not participating in the TPSID program, but also those IHEs that do not currently offer a Comprehensive Transition Program for improving inclusive postsecondary education for SWIDs. Since the PPSID-NTAD overlaps significantly with the TPSID-CC, the Department has determined that the most efficient way to implement this program in FY 2025 is to encourage
