DEPARTMENT OF HOMELAND SECURITY

Termination of Parole Processes for Cubans, Haitians, Nicaraguans, and Venezuelans

ACTION: Notice.

SUMMARY: The Department of Homeland Security ("DHS") is terminating the categorical parole programs for inadmissible aliens from Cuba, Haiti, Nicaragua, and Venezuela and their immediate family members (hereinafter referred to as "CHNV parole programs") that DHS announced in 2022 and 2023. This **Federal Register** notice is intended to provide context and guidance to the public regarding the termination of the CHNV parole programs and related employment authorization.

DATES: DHS is terminating the CHNV parole programs as of March 25, 2025. The temporary parole period of aliens in the United States under the CHNV parole programs and whose parole has not already expired by April 24, 2025 will terminate on that date unless the Secretary makes an individual determination to the contrary. Parolees without a lawful basis to remain in the United States following this termination of the CHNV parole programs must depart the United States before their parole termination date.

FOR FURTHER INFORMATION CONTACT: Ihsan Gunduz, Border and Immigration Policy, Office of Strategy, Policy, and Plans, Department of Homeland Security, 2707 Martin Luther King Jr. Ave. SE, Washington, DC 20528-0445; telephone (202) 447-3459 (not a toll-free number).

SUPPLEMENTARY INFORMATION:

I. Background

Over the previous two years, DHS has implemented programs through which inadmissible aliens who are citizens or nationals of designated countries, and their immediate family members, could request authorization to travel to the United States in order to be considered for parole into the country.¹ Under these

categorical parole programs, potentially eligible beneficiaries were adjudicated on a case-by-case basis, for advance authorization to travel to a U.S. port of entry ("POE") in the interior of the country to seek a discretionary grant of parole.

On January 20, 2025, President Trump issued Executive Order 14165, "Securing Our Borders." Section 2 of the Order establishes a policy of the United States to take all appropriate action to secure the borders of our Nation through a range of means, including deterring and preventing the entry of illegal aliens into the United States, and removing promptly all aliens who enter or remain in violation of Federal law. Section 7 of the Order directs the Secretary of Homeland Security to, consistent with applicable law, take all appropriate action to "[t]erminate all categorical parole programs that are contrary to the policies of the United States established in [the President's] Executive Orders, including the program known as the 'Processes for Cubans, Haitians, Nicaraguans, and Venezuelans.'"

Consistent with the President's direction, and for the independent reasons stated in this notice, this notice terminates the CHNV parole programs. Although DHS established the categorical programs for each country through a separate notice in the **Federal Register**, the justification for the establishment of each of the four categorical programs was very similar,³ and the rationale for termination is largely consistent for all four parole programs. Thus, DHS is announcing the termination of all four parole programs by publishing this single notice in the **Federal Register**.

II. DHS Parole Authority

The Immigration and Nationality Act ("INA") confers upon the Secretary of Homeland Security ("Secretary") the narrow discretionary authority to parole inadmissible aliens into the United States "temporarily under such conditions as [DHS] may prescribe only on a case-by-case basis for urgent
