Polyethylene Terephthalate Film, Sheet, and Strip From India: Preliminary Results of Countervailing Duty Administrative Review, and Rescission, in Part; 2020

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) preliminarily determines that countervailable subsidies are being provided to SRF Limited (SRF), a producer and exporter of polyethylene terephthalate film, sheet, and strip (PET film) from India. The period of review is January 1, 2020, through December 31, 2020. In addition, we are rescinding the review with respect to three companies. Interested parties are invited to comment on these preliminary results.

DATES: Applicable August 9, 2022.

FOR FURTHER INFORMATION CONTACT:

Michael A. Romani or Konrad Ptaszynski, AD/CVD Operations, Office I, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–0198 or (202) 482–6187, respectively.

SUPPLEMENTARY INFORMATION:

Background

On July 1, 2002, Commerce published in the **Federal Register** the countervailing duty (CVD) order on PET film from India.¹ On September 7, 2021, Commerce published a notice of initiation of an administrative review of the *Order*.² On March 30, 2022, Commerce extended the deadline for the preliminary results of this review to no later than July 29, 2022.³ For a complete description of the events that followed the initiation of this review, *see* the Preliminary Decision Memorandum.⁴ A list of topics discussed in the Preliminary Decision Memorandum is included as the appendix to this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <http://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

Scope of the Order

The products covered by this *Order* are PET film from India. For a complete description of the scope of the *Order*,

see the Preliminary Decision Memorandum.⁵

Methodology

Commerce is conducting this administrative review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found to be countervailable, we preliminarily find that there is a subsidy, *i.e.*, a financial contribution by an “authority” that gives rise to a benefit to the recipient, and that the subsidy is specific.⁶ For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum.

Rescission of Administrative Review, in Part

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if the parties that requested a review withdraw the request within 90 days of the date of publication of the notice of initiation. Commerce received timely-filed withdrawal requests for

MTZ Polyesters Ltd. (MTZ), Uflex Ltd. (Uflex), and Vacmet India Ltd. (Vacmet). Because the withdrawal requests were timely filed and no other party requested a review of these companies, in accordance with 19 CFR 351.213(d)(1), Commerce is rescinding this review of the *Order* with respect to MTZ, Uflex, and Vacmet.

Preliminary Rate for Non-Selected Companies Under Review

There are four companies for which a review was requested and not rescinded, and which were not selected as mandatory respondents. The statute and Commerce’s regulations do not directly address the establishment of rates to be applied to companies not selected for individual examination where Commerce limits its examination in an administrative review pursuant to section 777A(e)(2) of the Act. However, Commerce normally determines the rates for non-selected companies in reviews in a manner that is consistent with section 705(c)(5) of the Act, which provides the basis for calculating the all-others rate in an investigation.

Section 705(c)(5)(A)(i) of the Act instructs Commerce, as a general rule, to calculate an all-others rate equal to the weighted average of the countervailable subsidy rates established for exporters and/or producers individually examined, excluding any rates that are zero, *de minimis*, or based entirely on facts available. In this review, the preliminary rate calculated for SRF, the sole mandatory respondent, was not zero, *de minimis*, or based entirely on facts available. Therefore, for the companies for which a review was requested that were not selected as mandatory company respondents, and for which Commerce did not receive a timely request for withdrawal of review, Commerce based the preliminary subsidy rate on the preliminary rate calculated for SRF.

Preliminary Results of Review

In accordance with 19 CFR 351.221(b)(4)(i), we preliminarily determine the following net countervailable subsidy rates for the POR:

Manufacturer/exporter	Subsidy rate (percent <i>ad valorem</i>)
SRF Limited ⁷	3.52
Review-Specific Average Rate Applicable to the Following Companies	
Ester Industries Limited	3.52
Garware Polyester Ltd	3.52
Jindal Polyester Ltd	3.52
Polyplex USA	3.52

Disclosure and Public Comment

We will disclose to parties in this review the calculations performed for these preliminary results within five days of publication of these preliminary results.⁸ Pursuant to 19 CFR 351.309(c), interested parties may submit written comments (case briefs) on the preliminary results no later than 30 days from the date of publication of this **Federal Register** notice, and rebuttal comments (rebuttal briefs) within seven days after the time limit for filing case briefs.⁹ Pursuant to 19 CFR 351.309(d)(2), rebuttal briefs must be limited to issues raised in the case briefs. Parties who submit arguments are requested to submit with the argument:

(1) a statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities.¹⁰ All briefs must be filed electronically using ACCESS¹¹ and must be served on interested parties.¹²

Assessment Rates

In accordance with 19 CFR 351.221(b)(4)(i), we preliminarily assigned subsidy rates in the amounts shown above for the producers/exporters shown above. Upon completion of the administrative review, consistent with section 751(a)(1) of the Act and 19 CFR 351.212(b)(2), Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, countervailing duties on all appropriate entries covered by this review. For the companies for which this review is rescinded, we will instruct CBP to assess countervailing duties on all appropriate entries at a rate equal to the cash deposit of estimated countervailing duties required at the time of entry, or withdrawal from warehouse, for consumption, during the period January 1, 2020, through December 31, 2020, in accordance with 19 CFR 351.212(c)(1)(i). For the companies remaining in the review, Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

In accordance with section 751(a)(2)(C) of the Act, Commerce intends, upon publication of the final results, to instruct CBP to collect cash deposits of estimated countervailing duties in the amounts shown for each of the respondents listed above on shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this administrative review. For all non-reviewed firms, CBP will continue to collect cash deposits of estimated countervailing duties at the most recent company-specific or all-others rate applicable to the company, as appropriate. These cash deposit instructions, when imposed, shall remain in effect until further notice.

Notification to Interested Parties

These preliminary results and notice are issued and published in accordance

with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.221(b)(4).

Dated: July 29, 2022.
