

Individuals who want to know whether this system of records contains records about them must submit a written notification request to the System Manager. The notification request must contain the same information required for an access request and must include verification of identity in the same manner required for an access request.

EXEMPTIONS PROMULGATED FOR THE SYSTEM:

As provided in the Department's notice of proposed rulemaking, upon publication of a Final Rule, law enforcement investigatory material in this system of records will be exempt from certain requirements of the Privacy Act as follows:

- Based on 5 U.S.C. 552a(j)(2) and (k)(2), all criminal and non-criminal (e.g., civil, administrative, regulatory) law enforcement investigatory material will be exempt from the requirements in subsections (c)(3), (d)(1) through (4), (e)(1), (e)(4)(G) through (I), and (f) of the Privacy Act; provided, however, that for investigative material compiled for law enforcement purposes other than material within the scope of 5 U.S.C. 552a(j)(2), if maintenance of the records causes a subject individual to be denied a federal right, privilege, or benefit to or for which the individual would otherwise be entitled or eligible, the exemption based on 5 U.S.C. 552a(k)(2) will be limited to material that would reveal the identity of a source who furnished information to the Government under an express promise that the identity of the source would be held in confidence.

- Because the NIH Division of Police is a component which performs criminal law enforcement as its principal function, based on 5 U.S.C. 552a(j)(2), criminal law enforcement investigatory material will be exempt from the additional requirements in these subsections of the Privacy Act: (c)(4), (e)(2) and (3), (e)(5), and (g).

- If any law enforcement investigatory material compiled in this system of records 09–25–0224 is from another system of records in which such material was exempted from access and other requirements of the Privacy Act based on (j)(2), it will be exempt in system of records 09–25–0224 on the same basis (5 U.S.C. 552a(j)(2)) and from the same requirements as in the source system of records.
