

that are not withdrawn will become effective on the date set out in the direct final rule, notwithstanding relevant adverse comment on any other provision, unless we determine that it would not be appropriate to promulgate those provisions due to their being affected by the provision for which we receive relevant adverse comment. If the EPA does receive relevant adverse comment on the direct final rule and withdraws the direct final rule, we will address all public comments in any subsequent final rule based on this proposal. We will not institute a second comment period on this action. Any parties interested in commenting on the specific changes being made must do so by the comment deadline listed in the **DATES** section of this document. The EPA will not consider a comment to be adverse if a comment pertains to an aspect of part 98 or 40 CFR part 98, subpart W that is not addressed in the direct final rule. For further information about commenting on this action, please see the information provided in the **ADDRESSES** section of this document.

ENVIRONMENTAL PROTECTION AGENCY

40 CFR Part 300

[EPA-HQ-SFUND-1990-0011; FRL-9780-5]

National Oil and Hazardous Substances Pollution Contingency Plan National Priorities List: Deletion of the Kerr-McGee (Sewage Treatment Plant) Superfund Site

AGENCY: Environmental Protection Agency (EPA).

ACTION: Proposed rule: notice of intent.

SUMMARY: The Environmental Protection Agency (EPA) Region 5 is issuing a Notice of Intent to Delete the Kerr-McGee Sewage Treatment Plant Superfund Site located in West Chicago, DuPage County, Illinois from the National Priorities List (NPL) and requests public comments on this proposed action. The NPL, promulgated pursuant to Section 105 of the Comprehensive Environmental

Response, Compensation, and Liability Act (CERCLA) of 1980, as amended, is an appendix of the National Oil and Hazardous Substances Pollution Contingency Plan (NCP). EPA and the State of Illinois, through the Illinois Environmental Protection Agency (IEPA), have determined that all appropriate response actions under CERCLA have been completed. However, this deletion does not preclude future actions under Superfund.

DATES: Comments must be received by March 21, 2013.

ADDRESSES: Submit your comments, identified by Docket ID No. EPA-HQ-SFUND-1990-0011, by one of the following methods:

- <http://www.regulations.gov>: Follow online instructions for submitting comments.
- *Email:* Gladys Beard, NPL Deletion Process Manager, at beard.gladys@epa.gov or Janet Pope, Community Involvement Coordinator, at pope.janet@epa.gov.

Instructions: Direct your comments to Docket ID No. EPA-HQ-SFUND-1990-0011. EPA's policy is that all comments received will be included in the public docket without change and may be made available online at <http://www.regulations.gov>, including any personal information provided, unless the comment includes information claimed to be Confidential Business Information (CBI) or other information whose disclosure is restricted by statute. Do not submit information that you consider to be CBI or otherwise protected through <http://www.regulations.gov> or email. The <http://www.regulations.gov> Web site is

an "anonymous access" system, which means EPA will not know your identity or contact information unless you provide it in the body of your comment. If you send an email comment directly to EPA without going through <http://www.regulations.gov>, your email address will be automatically captured and included as part of the comment that is placed in the public docket and made available on the Internet. If you submit an electronic comment, EPA recommends that you include your name and other contact information in the body of your comment and with any disk or CD-ROM you submit. If EPA cannot read your comment due to technical difficulties and cannot contact you for clarification, EPA may not be able to consider your comment. Electronic files should avoid the use of special characters, any form of encryption, and be free of any defects or viruses.

Docket: All documents in the docket are listed in the <http://www.regulations.gov> index. Although listed in the index, some information may not be publicly available, e.g., CBI or other information whose disclosure is restricted by statute. Certain other material, such as copyrighted material, will be publicly available only in the hard copy. SUPPLEMENTARY INFORMATION: In the "Rules and Regulations" section of today's **Federal Register**, we are publishing a direct final Notice of Deletion of the Kerr-McGee (Sewage Treatment Plant) Superfund Site without prior Notice of Intent to Delete because we view this as a noncontroversial revision and anticipate no adverse comment. We have explained our reasons for this deletion in the preamble to the direct final

Notice of Deletion, and those reasons are incorporated herein. If we receive no adverse comment(s) on this deletion action, we will not take further action on this Notice of Intent to Delete. If we receive adverse comment(s), we will withdraw the direct final Notice of Deletion, and it will not take effect. We will, as appropriate, address all public comments in a subsequent final Notice of Deletion based on this Notice of Intent to Delete. We will not institute a second comment period on this Notice

of Intent to Delete. Any parties interested in commenting must do so at this time.

For additional information, see the direct final Notice of Deletion which is located in the “Rules and Regulations” section of this **Federal Register**.
