The application is requesting authority to reorganize and expand the general-purpose zone project as follows: Sites 1, 2 and 3 would be deleted; Site 2A would become Site 1; and, Site 4

would become Site 2. Three new sites would be added: *Proposed Site 3* (190 acres)—Partnership Park South located on Partnership Way in Maryville (Blount County); *Proposed Site 4* (13 acres)—within the 15-acre Heritage Center, East Technology Park, 2010 Highway 58, Oak Ridge (Roane County); and, *Proposed Site 5* (71 acres, 2 parcels)—within Eagle Bend Industrial Park located on J.D. Yarnell Industrial Parkway in Clinton (Anderson County). No specific manufacturing authority is being requested at this time. Such requests would be made to the Board on a case-by-case basis.

In accordance with the Board's regulations, a member of the FTZ Staff has been designated examiner to investigate the application and report to the Board.

Corrosion Resistant Carbon Steel Flat Products from Korea: Extension of Time Limits for the Preliminary Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

FOR FURTHER INFORMATION CONTACT: Victoria Cho at (202) 482-5075, AD/CVD Operations, Office 3, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Ave, NW., Washington, DC 20230.

Background

On September 28, 2005, the U.S. Department of Commerce ("Department") published a notice of initiation of the administrative review of the antidumping duty order on corrosion resistant carbon steel flat products from Korea, covering the period August 1, 2004 to July 31, 2005. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 70 FR 56631 (September 28, 2005). The preliminary results of this review are currently due no later than May 3, 2006.

Extension of Time Limit of Preliminary Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act"), requires the Department to make a preliminary determination within 245 days after the last day of the anniversary month of an order or finding for which a review is requested. Section 751(a)(3)(A) of the Act further states that if it is not practicable to complete the review within the time period specified, the administering authority may extend the 245-day period to issue its preliminary results by up to 120 days.

We determine that completion of the preliminary results of this review within the 245-day period is not practicable for the following reasons. This review covers six companies, and to conduct the sales and cost analyses for each requires the Department to gather and analyze a significant amount of information pertaining to each company's sales practices, manufacturing costs and corporate relationships. Given the number and complexity of issues in this case, and in accordance with section 751(a)(3)(A) of the Act, we are extending the time
