

potential users, regardless of size. Therefore, the Exchange believes the proposed rule change is reasonable, equitable and not unfairly discriminatory.

*B. Self-Regulatory Organization's Statement on Burden on Competition*

The Exchange does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. Rather, the Exchange believes that the proposal will promote competition by permitting the Exchange to offer a data product that provides data similar to that offered by other competitor equities exchanges or data that is currently publicly available via the SIP, the Cboe website or DataShop, or other vendors. Any differences in the proposed product to similar products offered by competing exchanges are intended to better understand the changing risk environment on a daily basis. The Exchange is proposing to introduce the Short Volume Report in order to keep pace with changes in the industry and evolving customer needs and believes this proposed rule change would contribute to robust competition among national securities exchanges. Further, the Exchange believes this proposed rule change permits fair competition among national securities exchanges.

The Short Volume Report will be available equally to all Members and non-Members that choose to subscribe to such report. As stated, the Short Volume Report is optional and Members and non-Members may choose to subscribe, or not, based on their view of the additional benefits and added value provided by utilizing the Short Volume Report. Given the above, the Exchange does not believe the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

*C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others*

The Exchange neither solicited nor received comments on the proposed rule change.
