Needs and Uses: The information collection requirement is necessary to enable DoD awarding officials to exercise due diligence and continue to comply with provisions found in Sections 745 and 746 of the Financial Services and General Government Appropriations Act, 2016 (Division E of Pub. L. 114-113, the Consolidated Appropriations Act, 2016), as well as similar provisions that future years' appropriations acts may include. The requirements of these provisions were originally enacted in three Fiscal Year (FY) 2012 appropriations acts that made funds available to DoD Components for obligation. The details of the provisions in the three FY 2012 acts varied somewhat but they generally required DoD to consider suspension or debarment before using appropriated funding to enter into a grant or cooperative agreement with a corporation if the awarding official was aware that the corporation had an unpaid federal tax liability or was convicted of a felony criminal violation within the preceding 24 months. The FY 2012 provisions were in:

Sections 8124 and 8125 of the Department of Defense Appropriations Act, 2012 (Division A of Pub. L. 112-74, the Consolidated Appropriations Act, 2012);

Section 514 of the Military Construction and Veterans Affairs and Related Agencies Appropriations Act, 2012 (Division H of Pub. L. 112-74); and

Sections 504 and 505 of the Energy and Water Development Appropriations Act, 2012 (Division B of Pub. L. 112-74).

Generally, the requirements related to these provisions of the FY 2012 appropriations acts have been included in each subsequent fiscal year's appropriations acts. Since FY 2015, the provisions related to felony convictions and unpaid federal tax liabilities have been enacted in the government-wide general provisions portion of the Financial Services and General Government Appropriations Act.
