

that the proposal is in the public interest;

Now, Therefore, the Board hereby orders:

The application to expand FTZ 174 (Site 2) is approved, subject to the Act and the Board's regulations, including Section 400.28.

Signed at Washington, DC, this 9th day of August 2000.

Troy H. Cribb,

Acting Assistant Secretary of Commerce for Import Administration, Alternate Chairman, Foreign-Trade Zones Board.

Dennis Puccinelli,

Executive Secretary.

Foreign-Trade Zones Board

[Docket 47-2000]

Foreign-Trade Zone 104—Chatham County, Georgia Application for Expansion

An application has been submitted to the Foreign-Trade Zones (FTZ) Board (the Board) by the Savannah Airport Commission, grantee of FTZ 104, requesting authority to expand its zone in Chatham County, Georgia, within the Savannah Customs port of entry. The application was submitted pursuant to the provisions of the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a-81u), and the regulations of the Board (15 CFR Part 400). It was formally filed on August 8, 2000.

FTZ 104 was approved on April 18, 1984 (Board Order 256, 49 FR 17789, 4/25/84) and expanded on October 13, 1995 (Board Order 775, 60 FR 54469, 10/24/95). The zone project currently consists of the following sites (2,163 acres) in the Savannah, Georgia area: *Site 1* (32 acres)—within the 3,400-acre Savannah International Airport; *Site 2* (10 acres)—Warehouse #83B, on Hunt Avenue within the 800-acre Garden City (Containerport) Terminal of the Georgia Ports Authority on the Savannah River, Chatham; *Site 2a* (1 acre, 43,560 sq. ft.)—730 King George Boulevard, Savannah; *Site 3* (1,820 acres)—Crossroads Business Center, I-95 and Godley Road, Chatham County; and, *Site 4* (300 acres)—SPA Industrial Park, 1 mile east of the I-95/U.S. 80 interchange in Chatham County.

The applicant is now requesting authority to expand its general-purpose zone to enlarge two existing sites (Sites 2 and 4) and add two new sites (Proposed Sites 5 and 6). *Site 2* will be

expanded to include an additional 839 acres at the Garden City (Containerport) Terminal (owned by the Georgia Ports Authority), 2 Main Street, Garden City; and, 226 acres at the Ocean Terminal (owned by the Georgia Ports Authority), 950 West River Street, Savannah. The proposed changes would expand *Site 2* from 10 acres to 1,075 acres. *Site 4*, which is adjacent to the airport, will be expanded to include an additional portion of the SPA Industrial Park consisting of 1,052 acres (owned by J. C. Bamford Excavators Ltd.), located at 1 Bamford Boulevard, Pooler. The proposed change would expand *Site 4* from 300 acres to 1,352 acres. The two new proposed sites are as follows: *Proposed Site 5* (94 acres)—Savannah International Trade and Convention Center (owned by Chatham County), One International Drive, Savannah; and, *Proposed Site 6* (2,239 acres)—Mulberry Grove site (owned by the Georgia Ports Authority), Interstate 95 and State Highway 21, Savannah. No specific manufacturing requests are being made at this time. Such requests would be made to the Board on a case-by-case basis.

In accordance with the Board's regulations, a member of the FTZ Staff has been designated examiner to investigate the application and report to the Board.

Public comment on the application is invited from interested parties. Submissions (original and 3 copies) shall be addressed to the Board's Executive Secretary at the address below. The closing period for their receipt is October 16, 2000. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period (to October 31, 2000).

A copy of the application and accompanying exhibits will be available for public inspection at each of the following locations:

U.S. Department of Commerce, Export Assistance Center, 6001 Chatham Center Drive, Suite 100, Savannah, GA 31405.

Office of the Executive Secretary, Foreign-Trade Zones Board, Room 4008, U.S. Department of Commerce, 14th & Pennsylvania Avenue NW, Washington, DC 20230.

Dated: August 8, 2000.

Dennis Puccinelli,

Executive Secretary.

Foreign-Trade Zones Board

[Docket 48-2000]

Foreign-Trade Zone 134—Chattanooga, Tennessee Application For Foreign-Trade Subzone Status Komatsu America International Co. (Construction Equipment); Chattanooga, TN

An application has been submitted to the Foreign-Trade Zones Board (the Board) by the Chattanooga Chamber Foundation, grantee of FTZ 134, requesting special-purpose subzone status for the manufacturing facilities (construction equipment) of Komatsu America International Company (Komatsu), located in Chattanooga, Tennessee. The application was submitted pursuant to the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a-81u), and the regulations of the Board (15 CFR part 400). It was formally filed on August 11, 2000.

The Komatsu facilities (48.95 acres, 494,559 sq. ft.) are located at 409 Signal Mountain Road. These facilities (425 employees) are currently used for the manufacture of hydraulic excavators, wheel loaders, motor graders, and mobile cranes. Some of the components used in manufacturing these products may be purchased from abroad (domestic content on certain products can range up to 77%), including the following categories: internal-combustion piston engines and engine parts; hydraulic turbines; turbojets, turbopropellers, and other gas turbines; liquid, air and vacuum pumps; air-conditioning machines; gaskets, gasket sets, and mechanical seals; electric motors and generators; primary cells and primary batteries; electric storage batteries; electrical equipment (including for ignition, starting, lighting, or signaling, and windshield wipers and defrosters); styrene polymers; plastic products (including tubes, pipes, hoses, fittings, plates, sheets, film, foil, tape, strip, closures, and builders' ware); vulcanized rubber products (including plates, sheets, strip, rods, profile shapes, tubes, pipes, hoses, and conveyor or transmission belts); leather articles for technical uses; agglomerated cork; paper and paperboard products (including labels, cellulose wadding, and webs of cellulose fibers); glass products (including safety glass, mirrors, envelopes for lamps, signaling glassware and optical elements, and glass fibers and articles thereof); reservoirs, vats and similar containers of iron or steel; fasteners of iron or steel; iron or steel springs; copper products (including
