**OMB Control Number:** 2900-0934.

**Type of Review:** Extension of a currently approved collection.

**Abstract:** VA is initiating an expanded program using existing Refund provisions. Under this program, VA will exercise its statutory option to purchase the loan from the servicer and VA will hold the loan in VA's own loan portfolio. The servicer will prepare a modification of the loan to increase affordability for the Veteran. Servicers who participate in the program are required to document their efforts to assist the Veteran through a waterfall of existing loss mitigation options and provide that documentation to VA. Information collection is necessary to ensure that Veterans and servicers comply with VA program requirements under VASP that are not already covered by existing, approved information collections for loan servicing and loan refunding.

**Estimated Annual Burden:** 68,231 hours.

**Estimated Average Burden per Respondent:** 195 minutes.
