

achieve \$10 billion in scorable Medicaid savings over 5 years while at the same time make progress toward meaningful longer-term program changes to better serve beneficiaries. The Commission may discuss the need to divide into subgroups for the purpose of focusing on particular issues within this broad subject, including a discussion of which members would serve on which subgroup.

Procedure and Agenda: This meeting is open to the public. There will be a public comment period at the meeting. The Commission may limit the number and duration of oral presentations to the time available. We will request that you declare at the meeting whether or not you have any financial involvement related to any services being discussed.

After the public and CMS presentations, the Commission will deliberate openly on the topic. Interested persons may observe the deliberations, but the Commission will not hear further comments during this time except at the request of the Chairperson. The Commission will also allow an open public session for any attendee to address issues specific to the topic.

Authority: 5 U.S.C. App. 2, section 10(a)(1) and (a)(2).

Dated: August 2, 2005.

Mark B. McClellan,

Administrator, Centers for Medicare & Medicaid Services.

BILLING CODE 4120-01-P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

National Institutes of Health

Proposed Collection: Comment-Request; Revision of OMB No. 0925-0002/exp. 08/31/05, Individual Ruth L. Kirschstein National Research Service Award Applications and Related forms

SUMMARY: In compliance with the requirement of Section 3407(a)(1)(D) of the Paperwork Reduction Act of 1995, the Office of the Director (OD), Office of Extramural Research (OER), the National Institutes of Health (NIH) has submitted to the Office of management and budget (OMB) a request for review and approval of the information collection listed below. This proposed information collection was previously published in the **Federal Register** on March 16, 2005, Volume 70, No. 50, page 12889 and allowed 60 days for public comment. No public comments were received. The purpose of this notice is to allow an additional 30 days

for public comment. The National Institutes of Health may not conduct or sponsor, and the respondent is not required to respond to, an information collection that has been extended, revised, or implemented on or after October 1, 1995, unless it displays a currently valid OMB control number.

Proposed Collection

Title: Individual Ruth L. Kirschstein National Research Service Award Applications and Related Forms.

Type of Information Collection

Request: Revision, OMB 0925-0002, Expiration Date 8/31/05.

Form Numbers: PHS 416-1, 416-9, 416-5, 416-7, 6031, 6031-1.

Need and Use of Information

Collection: The 416-1 and 416-9 are used by individuals to apply for direct research training support. Awards are made to individual applicants for specified training proposals in biomedical and behavioral research, selected as a result of a national competition. The other related forms (PHS 416-5, 416-7, 6031, 6031-1) are used by these individuals to activate, terminate, and provide for payback of a National Research Service Award.

Frequency of response: Applicants may submit applications for published receipt dates. If awarded, annual progress is reported and trainees may be appointed or reappointed.

Affected public: Individuals or Households; Business or other for-profit; Not-for-profit institutions; Federal Government; and State, local or tribal government.

Type of Respondents: Adult scientific trainees and professionals.

The annual reporting burden is as follows:

Estimated Number of Respondents: 51,822;

Estimated Number of Responses per respondent: 1;

Average Burden Hours Per Response: 2.7; and

Estimated total Annual Burden Hours Requested: 124,034.

Request for comments: Written comments and/or suggestions from the public and affected agencies are invited on one or more of the following points: (1) Whether the proposed collection of information is necessary for the proper performance of the function of the agency, including whether the information will have practical utility; (2) The accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used; (3) Ways to enhance the quality, utility, and clarity of the information to be collected; and (4)

Ways to minimize the burden of the collection of information on those who are to respond, including the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

Direct Comments to OMB: Written comments and/or suggestions regarding the item(s) contained in this notice, especially regarding the estimated public burden and associated response time should be directed to the Office of Management and Budget, Office of Regulatory Affairs, New executive Office Building, Room 10235, Washington, DC 20503, Attention: Desk Officer for NIH. To request more information on the proposed project or to obtain a copy of the data collection plans and instruments, contact Ms. Marcia Hahn, Division of Grants Policy, Office of Policy for Extramural Research Administration, NIH, Rockledge 1 Building, Room 3515, 6705 Rockledge Drive, Bethesda, MD 20892-7974, or call non-toll-free number (301) 435-0932, or E-mail your request, including your address to: [hahnm@od.nih.gov].

Comments Due Date: Comments regarding this information collection are best assured of having their full effect if received within 30-days of the date of this publication.

Dated: July 27, 2005.

Dr. Charles Mackay,

Chief, Project Clearance Branch, OPERA, OER, National Institutes of Health.
