

aggregating the dumping margins calculated for all U.S. sales to each importer and dividing this amount by the total quantity of those sales.

To determine whether the duty assessment rates were *de minimis* (i.e., less than 0.50 percent) in accordance with the requirement set forth in 19 CFR 351.106(c)(2), we calculated importer-specific *ad valorem* rates based on the estimated entered value. Where the assessment rate is above *de minimis*, we will instruct CBP to assess duties on all entries of subject merchandise by that importer. Pursuant to 19 CFR 351.106(c)(2), we will instruct CBP to liquidate without regard to antidumping duties any entries for which the assessment rate is *de minimis*.

The Department clarified its "automatic assessment" regulation on May 6, 2003. *See Antidumping and Countervailing Duty Proceedings: Assessment of Antidumping Duties*, 68 FR 23954 (May 6, 2003). This clarification will apply to entries of subject merchandise during the POR produced by the respondent for which it did not know its merchandise was destined for the United States. In such instances, we will instruct CBP to liquidate unreviewed entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction. For a full discussion of this clarification, *see Antidumping and Countervailing Duty Proceedings: Assessment of Antidumping Duties*, 68 FR 23954 (May 6, 2003).

Cash Deposit Requirements

The following cash deposit requirements will be effective upon completion of the final results of this administrative review for all shipments of SSB from India entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(1) of the Act: (1) The cash deposit rate for the reviewed companies will be the rate established in the final results of this administrative review (except no cash deposit will be required if its weighted-average margin is *de minimis*); (2) if the exporter is not a firm

covered in this review, but was covered in a previous review or the original less than fair value ("LTFV") investigation, the cash deposit rate will continue to be the company-specific rate published for the most recent period; and (3) if neither the exporter nor the manufacturer is a firm covered in this or any previous reviews, or the original LTFV investigation, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; and (4) the cash deposit rate for all other manufacturers and/or exporters of this merchandise, shall be 12.45 percent, the all-others rate established in the LTFV investigation. *See Notice of Final Determination of Sales at Less Than Fair Value: Stainless Steel Bar from India*, 59 FR 66915 (December 28, 1994).

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

We are issuing and publishing these results of review in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: September 28, 2008.

Stephen J. Claeys,

Acting Assistant Secretary for Import Administration.

¹ If one of the above named companies does not qualify for a separate rate, all other exporters of wooden bedroom furniture from the PRC that have not qualified for a separate rate are deemed to be covered by this review as part of the single PRC entity of which the named exporter is a part.

* These companies received a separate rate in the most recent segment of this proceeding in which they participated.

Notice of No Sales

The companies on which we are initiating this review, should notify the Department within 30 days of publication of this notice in the **Federal Register** if they had no shipments, entries or sales of the merchandise under consideration during the POR.

Separate Rates

In proceedings involving non-market economy ("NME") countries, the Department begins with a rebuttable presumption that all companies within the country are subject to government control and, thus, should be assigned a single antidumping duty deposit rate. It is the Department's policy to assign all exporters of merchandise subject to an administrative review in an NME country this single rate unless an exporter can demonstrate that it is sufficiently independent so as to be entitled to a separate rate.

To establish whether a firm is sufficiently independent from government control of its export activities to be entitled to a separate rate, the Department analyzes each entity exporting the subject merchandise under a test arising from the *Final Determination of Sales at Less Than Fair Value: Sparklers from the People's Republic of China*, 56 FR 20588 (May 6, 1991) ("Sparklers"), as amplified by *Final Determination of Sales at Less Than Fair Value: Silicon Carbide from the People's Republic of China*, 59 FR 22585 (May 2, 1994) ("Silicon Carbide"). In accordance with the separate-rates criteria, the Department assigns separate rates to companies in NME cases only if respondents can demonstrate the absence of both *de jure* and *de facto*

government control over export activities.

In order for exporters or producers to obtain separate-rate status in NME administrative reviews, the Department requires parties to submit a separate-rate status application or certification. See Policy Bulletin 05.1: Separate-Rates Practice and Application of Combination Rates in Antidumping Investigations Involving Non-Market Economy Countries (April 5, 2005), available on the Department's Web site at <http://ia.ita.doc.gov/policy/bull05-1.pdf>.

Due to the large number of firms requesting an administrative review in this proceeding, the Department is requiring all firms listed above that wish to qualify for separate-rate status in this administrative review to complete, as appropriate, either a separate-rate status application or certification, as described below.

For this administrative review, in order to demonstrate separate-rate eligibility, the Department requires entities for whom a review was requested, that were assigned a separate rate in the most recent segment of this proceeding in which they participated, to certify that they continue to meet the criteria for obtaining a separate rate. The Separate Rate Certification form will be available on the Department's Web site at <http://ia.ita.doc.gov/> on the date of publication of this **Federal Register**. In responding to the certification, please follow the "Instructions for Filing the Certification" in the Separate Rate Certification. Separate Rate Certifications are due to the Department no later than April 6, 2008. The deadline and requirement for submitting a Certification applies equally to NME-owned firms, wholly foreign-owned

firms, and foreign sellers who purchase and export subject merchandise to the United States.

For entities that have not previously been assigned a separate rate, to demonstrate eligibility for such, the Department requires a Separate Rate Status Application. The Separate Rate Status Application will be available on the Department's Web site at <http://ia.ita.doc.gov/> on the date of publication of this **Federal Register**. In responding to the Separate Rate Status Application, refer to the instructions contained in the application. Separate Rate Status Applications are due to the Department no later than May 6, 2008. The deadline and requirement for submitting a Separate Rate Status Application applies equally to NME-owned firms, wholly foreign-owned firms, and foreign sellers that purchase and export subject merchandise to the United States.

Section 777A(c)(1) of the Tariff Act of 1930, as amended ("the Act") directs the Department to calculate individual dumping margins for each known exporter and producer of the subject merchandise. Where it is not practicable to examine all known producers/exporters of subject merchandise, section 777A(c)(2) of the Act permits the Department to examine either (1) a sample of exporters, producers or types of products that is statistically valid based on the information available at the time of selection; or (2) exporters and producers accounting for the largest volume of the subject merchandise from the exporting country that can be reasonably examined. Due to the large number of firms requested for an administrative review and the Department's experience regarding the resulting administrative burden to review each company for which a

request has been made, the Department is considering exercising its authority to limit the number of respondents selected for review using one of the two methods described above.

Selection of Respondents

For this administrative review, the Department intends to select respondents based on U.S. Customs and Border Protection ("CBP") data for U.S. imports during the period of review ("POR"). We intend to make our decisions regarding respondent selection within 20 days of publication of this **Federal Register** notice. The Department invites comments regarding the CBP data and the selection of respondents within seven days of publication of this **Federal Register** notice.

Notification

This notice constitutes public notification to all firms requested for review and seeking separate-rate status in this administrative review of the antidumping duty order on wooden bedroom furniture from the PRC that they must submit a separate-rate status application or certification, as appropriate, within the time limits established in this notice of initiation of administrative review in order to receive consideration for separate-rate status. In other words, the Department will not give consideration to any Separate Rate Certification or Separate Rate Status Application made by parties who fail to timely submit the requisite Separate Rate Certification or Application. All information submitted by respondents in this administrative review is subject to verification. To complete this segment within the statutory time frame, the Department will be limited in its ability to extend deadlines on the above submissions. As noted above, the Separate Rate Certification and the Separate Rate Status Application will be available on the Department's Web site at <http://ia.ita.doc.gov/> on the date of publication of this **Federal Register**.

Interested parties must submit applications for disclosure under administrative protective order in accordance with 19 CFR 351.305. Instructions for filing such applications may be found on the Department's Web site at <http://ia.ita.doc.gov>.

This initiation and notice are in accordance with section 751(a) of the Act, and 19 CFR 351.221(c)(1)(i).

Wooden Bedroom Furniture From the People's Republic of China; Initiation of New Shipper Reviews

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: March 7, 2008.

SUMMARY: The Department of Commerce (the "Department") received timely requests to conduct new shipper reviews of the antidumping duty order on wooden bedroom furniture from the People's Republic of China ("PRC"). In accordance with 19 CFR 351.214(d)(1), we are initiating new shipper reviews for Golden Well International (HK), Ltd. ("Golden Well") and its supplier Zhangzhou XYM Furniture Product Co., Ltd. (Zhangzhou XYM), and for Dongguan Sunshine Furniture Co., Ltd. ("Sunshine").

FOR FURTHER INFORMATION CONTACT: Paul Stolz or Hua Lu, AD/CVD Operations, Office 8, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-4474 or (202) 482-6478, respectively.

SUPPLEMENTARY INFORMATION: The Department received timely requests from Sunshine and Golden Well on January 4 and 31, 2008 respectively, pursuant to section 751(a)(2)(B) of the Tariff Act of 1930, as amended ("the Act"), and in accordance with 19 CFR 351.214(c), for new shipper reviews of the antidumping duty order on wooden bedroom furniture from the PRC. *See Notice of Amended Final Determination of Sales at Less than Fair Value and Antidumping Duty Order: Wooden Bedroom Furniture from the People's Republic of China*, 70 FR 329 (January 4, 2005).

Pursuant to the requirements set forth in 19 CFR 351.214(b)(2)(i), in their requests for new shipper reviews, Golden Well, as an exporter, and its supplier Zhangzhou XYM, and Sunshine, as a producing exporter, all certified that (1) they did not export wooden bedroom furniture to the

United States during the period of investigation ("POI"); (2) since the initiation of the investigation, they have never been affiliated with any company that exported subject merchandise to the United States during the POI; and (3) their export activities were not controlled by the central government of the PRC.

In accordance with 19 CFR 351.214(b)(2)(iv), Golden Well and Sunshine submitted documentation establishing the following: (1) the date on which they first shipped wooden bedroom furniture for export to the United States; (2) the volume of their first shipment; and (3) the date of their first sale to an unaffiliated customer in the United States.

Initiation of New Shipper Review

In accordance with section 751(a)(2)(B) of the Act and 19 CFR 351.214(d)(1), and based on information on the record, we find that Golden Well's and Sunshine's requests meet the initiation threshold requirements and we are initiating new shipper reviews for shipments of wooden bedroom furniture exported by Golden Well that were produced by Zhangzhou XYM, and shipments of wooden bedroom furniture produced and exported by Sunshine. *See Memorandum to the File* through Wendy J. Frankel, Director, New Shipper Initiation Checklist, dated February 29, 2008. The Department will conduct these new shipper reviews according to the deadlines set forth in section 751(a)(2)(B)(iv) of the Act.

Pursuant to 19 CFR 351.214(g)(1)(i)(A), the period of review ("POR") for a new shipper review initiated in the month immediately following the anniversary month will be the 12-month period immediately preceding the anniversary month. In this case, the relevant anniversary month of the order is January 2008. Therefore, the POR for the new shipper reviews of Golden Well and Sunshine will be January 1 through December 31, 2007.

It is the Department's usual practice, in cases involving non-market economies, to require that a company seeking to establish eligibility for an antidumping duty rate separate from the country-wide rate provide evidence of *de jure* and *de facto* absence of government control over the company's export activities. Accordingly, we will issue questionnaires to Golden Well and Sunshine, which will include a separate-rate section. The reviews will proceed if the responses provide sufficient indication that Golden Well and Sunshine are not subject to either *de jure* or *de facto* government control
