

valorem duties at the PRC-wide rate. Because the PRC-wide entity was not reviewed during this POR, the PRC-wide rate remains that established in the less-than-fair-value investigation. For entries made by PRC companies for which the Department has rescinded the administrative review (*i.e.*, Chen Fu, Longjing and ZLAP), Customs shall assess ad valorem duties at the rates applicable at the time of entry.

Cash Deposit Requirements

The following deposit rates shall be required for merchandise subject to the order entered, or withdrawn from warehouse, for consumption on or after the publication date of these final results of administrative and new shipper reviews, as provided by section 751(a)(1) of the Act: (1) The cash deposit rate for each reviewed company will be the rate indicated above; (2) the cash deposit rate for PRC exporters who received a separate rate in a prior segment of the proceeding but for whom the Department has rescinded the review (*i.e.*, Longjing and ZLAP) or of whom the review was not requested for this POR will continue to be the rate assigned in that segment of the proceeding; (3) the cash deposit rate for the PRC NME entity (*i.e.*, all other exporters, including Chen Fu, which have not been reviewed) will continue to be 43.32 percent; and (4) the cash deposit rate for non-PRC exporters of subject merchandise from the PRC will be the rate applicable to the PRC supplier of that exporter. These deposit requirements shall remain in effect until publication of the final results of the next administrative review.

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

This notice also serves as the only reminder to parties subject to administrative protective orders (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an

APO is a violation which is subject to sanction.

We are issuing and publishing this determination and notice in accordance with sections section 751(a)(1) and 777(i) of the Act and 19 CFR 351.213.

Dated: October 24, 2000.

Troy H. Cribb,

Acting Assistant Secretary for Import Administration.

Notice of Extension of Time Limit for Preliminary Results of New-Shipper Antidumping Review: Freshwater Crawfish Tail Meat From the People's Republic of China

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: October 30, 2000.

FOR FURTHER INFORMATION CONTACT:

Christian Hughes or Maureen Flannery, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, D.C. 20230; telephone: (202) 482-4106 and (202) 482-3020, respectively.

The Applicable Statute

Unless otherwise indicated, all citations to the Tariff Act of 1930, as amended (the Act) are to the provisions effective January 1, 1995, the effective date of the amendments made to the Act by the Uruguay Round Agreements Act. In addition, unless otherwise indicated, all citations to the Department's regulations are to 19 CFR part 351 (1999).

Background

On June 1, 2000, the Department published a notice of initiation of new shipper administrative reviews of the antidumping duty order on Freshwater Crawfish Tail Meat from the People's Republic of China, covering the period September 1, 1999 through February 29, 2000 (65 FR 35046). The preliminary results are currently due no later than November 21, 2000.

Extension of Time Limit for Preliminary Results

Because of the complexities enumerated in the Memorandum from Barbara E. Tillman to Joseph A. Spetrini, Extension of Time Limit for the Preliminary Results of New Shipper Review of Freshwater Crawfish Tail Meat from the People's Republic of China, dated October 24, 2000, we find this case is extraordinarily complicated and thus are unable to complete this review by the scheduled deadline. Therefore, in accordance with section 351.214(i)(2) of the Department's regulations, the Department is extending the time period for issuing the preliminary results of review by 120 days (*i.e.*, until March 21, 2001).

Dated: October 24, 2000.

Edward C. Yang,

Acting Deputy Assistant Secretary, AD/CVD Enforcement Group III.
