SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on May 14, 2021. 86 FR 26544 (May 14, 2021). The complaint, as supplemented, was filed by complainants Celanese

International Corporation of Irving, Texas; Celanese (Malta) Company 2 Limited of Qormi, Malta; and Celanese Sales U.S. Ltd. of Irving, Texas (collectively, “Celanese”), and alleged violations of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, in the importation into the United States, the sale for importation, or the sale within the United States after importation of certain high-potency sweeteners, processes for making same, and products containing same by reason of infringement of certain claims of United States Patent Nos. 10,023,546; 10,208,004; 10,590,098; 10,233,163; and 10,590,095. *Id.* The complaint further alleged that a domestic industry exists. *Id.* The Commission’s notice of investigation named twelve respondents, including respondents Anhui Jinhe Industrial Co., Ltd., and Jinhe USA LLC (collectively, “Jinhe”) and Prinova US LLC (“Prinova”). *Id.* The Office of Unfair Import Investigations (“OUII”) is also participating in this investigation. *Id.*

On July 9, 2021, Celanese moved for leave to add the Proposed Respondents to the complaint and notice of investigation. On July 21, 2021, Jinhe filed a brief opposing Celanese’s motion on the grounds that certain of the Proposed Respondents could have been identified by Celanese in its original complaint, and that the current respondents, OUII, and the Proposed Respondents will be prejudiced by the addition of respondents at this stage of the investigation. The same day, Prinova filed a notice indicating that it joined Jinhe’s opposition. Also, on the same day, OUII filed a brief supporting Celanese’s motion.

On August 6, 2021, the ALJ issued the subject ID granting Celanese’s motion. The subject ID is based on the ALJ’s subsidiary findings that Celanese has shown good cause to add allegations to the complaint that the Proposed Respondents have violated section 337 and that the current parties are unlikely to suffer prejudice due to the addition of the Proposed Respondents to the investigation. No petitions for review of the ID were received.

The Commission has determined not to review the subject ID. The notice of investigation is hereby amended to add the following as respondents to the investigation:

1. Amerisweet Co., Ltd.;
2. Batory Foods;
3. DMH Ingredients Inc.;
4. Fortway Chemicals Co.;
5. Ingredient Supply Corporation;
6. Nutravative Ingredients;
7. Nutrisprinter Limited;
8. Polestar Development Limited;

9. Qingdao Samin Chemical Co.;
10. Rochem International Inc.; and
11. V-Chem Trading Ltd.

The Commission vote for this determination took place on August 23, 2021.

The authority for the Commission’s determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in Part 210 of the Commission’s Rules of Practice and Procedure (19 CFR part 210).

By order of the Commission.

Issued: August 23, 2021.

Katherine Hiner,

Supervisory Attorney.

DEPARTMENT OF JUSTICE

Notice of Lodging of Proposed Consent Decree Under the Clean Water Act

On August 19, 2021, the U.S. Department of Justice (DOJ) lodged a proposed Amended Consent Decree with the United States District Court for the Northern District of Indiana in *United States of America and State of Indiana v. City of South Bend, Indiana*, No. 3:11CV505. The proposed Amended Consent Decree supersedes and replaces the original Consent Decree that the Court entered on May 2, 2012.

The 2012 Consent Decree resolved claims for civil penalties, and injunctive relief in the form of a Long Term Control Plan for violations of the Clean Water Act and related State law claims regarding the City of South Bend’s operation of its municipal wastewater and sewer system. In the proposed Amended Consent Decree, South Bend agrees to construct and operate a sewage conveyance and treatment system that, once fully implemented by 2038, would significantly increase the level of control of pollutant discharges required under the 2012 Consent Decree by, among other things, treating sewage and wastewater discharges to meet Indiana’s water quality standard for *E. coli*.

The publication of this notice opens a period for public comment on the proposed Amended Consent Decree. Comments should be addressed to Assistant Attorney General, Environment and Natural Resources Division, and should refer to *United States of America and State of Indiana v. City of South Bend, Indiana*, D.J. Ref. No. 90–5–1–1–08182. All comments must be submitted no later than thirty (30) days after the publication date of
