SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–95245; File No. SR–NSCC–2022–005]

Self-Regulatory Organizations; National Securities Clearing Corporation; Notice of Designation of Longer Period for Commission Action on a Proposed Rule Change To Revise the Excess Capital Premium Charge

July 11, 2022.

On May 30, 2022, National Securities Clearing Corporation (“NSCC”) filed with the Securities and Exchange

Commission (“Commission”) proposed rule change SR–NSCC–2022–005 (the “Proposed Rule Change”) pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”) ¹ and Rule 19b–4 thereunder.² The Proposed Rule Change was published for comment in the **Federal Register** on June 8, 2022,³ and the Commission has received comments regarding the changes proposed in the Proposed Rule Change.⁴

Section 19(b)(2) of the Act ⁵ provides that, within 45 days of the publication of notice of the filing of a proposed rule change, or within such longer period up to 90 days as the Commission may designate if it finds such longer period to be appropriate and publishes its reasons for so finding or as to which the self-regulatory organization consents, the Commission shall either approve the proposed rule change, disapprove the proposed rule change, or institute proceedings to determine whether the proposed rule change should be disapproved. The 45th day after publication of the notice for the Proposed Rule Change is July 23, 2022.

The Commission is extending the 45-day period for Commission action on the Proposed Rule Change. The Commission finds that it is appropriate to designate a longer period within which to take action on the Proposed Rule Change so that it has sufficient time to consider and take action on the Proposed Rule Change.

Accordingly, pursuant to Section 19(b)(2) of the Act ⁶ and for the reasons stated above, the Commission designates September 6, 2022, as the date by which the Commission shall either approve, disapprove, or institute proceedings to determine whether to disapprove proposed rule change SR–NSCC–2022–005.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.⁷

J. Matthew DeLesDernier,
Assistant Secretary.

SECURITIES AND EXCHANGE COMMISSION

[SEC File No. 270–497; OMB Control No. 3235–0555]

Submission for OMB Review; Comment Request Extension: Rule 6h–1

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549–2736

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (“PRA”) (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (“Commission”) has submitted to the Office of Management and Budget (“OMB”) a request for approval of extension of the previously approved collection of information provided for in Rule 6h–1 (17 CFR 240.6h–1) under the Securities Exchange Act of 1934 (“Act”) (15 U.S.C. 78a *et seq.*).

Section 6(h) of the Act (15 U.S.C. 78f(h)) requires national securities exchanges and national securities associations that trade security futures products to establish listing standards that, among other things, require that: (i) trading in such products not be readily susceptible to price manipulation; and (ii) the market on which the security futures product trades has in place procedures to coordinate trading halts with the listing market for the security or securities underlying the security futures product. Rule 6h–1 implements these statutory requirements and requires that (1) the final settlement price for each cash-settled security futures product fairly reflect the opening price of the underlying security or securities, and (2) the exchanges and associations trading security futures products halt trading in any security futures product for as long as trading in the underlying security for trading of a security futures product based on a single security, or trading in 50% or more of the underlying securities for trading of a security futures product based on a narrow-based security index, is halted on the listing market.

It is estimated that approximately 1 respondent will incur an average burden of 10 hours per year to comply with this rule, for a total burden of 10 hours. At an average internal cost per hour of approximately \$428, the resultant total internal cost of compliance for the respondents is \$4,280 per year (1 respondent × 10 hours/respondent × \$428/hour).

Compliance with Rule 6h–1 is mandatory. Any listing standards
