

materials. In the first year of this effort, information was collected from 16,000 fire departments. Since the first year of the collection, an additional 8,000 departments have registered with the census for a total of 24,000 fire departments. This leaves an estimated 9,000 departments still to respond. Additionally, fire departments already registered with the census will be contacted once every five years to provide updates or changes to their census data so that USFA can keep the database as current as possible. Fire departments are able to complete the census form on-line through the USFA Web site, or by filling out a paper census form and faxing the completed form, or sending it in a return envelope.

Affected Public: Federal, State, local, government, volunteer and industrial fire departments.

Number of Respondents: 9,000.

Estimated Time per Respondent: 25 minutes.

Estimated Total Annual Burden Hours: 3,750 hours.

Frequency of Response: Once.
