

3. Title and Purpose of Information Collection

Certification Regarding Rights to Unemployment Benefits; OMB 3220-0079

Under Section 4 of the Railroad Unemployment Insurance Act (RUIA), an employee who leaves work voluntarily is disqualified for unemployment benefits unless the employee left work for good cause and is not qualified for unemployment benefits under any other law. RRB Form UI-45, Claimant's Statement—Voluntary Leaving of Work, is used by the RRB to obtain additional information needed to investigate a claim for unemployment benefits when the claimant indicates on RRB Form UI-1, Application for Unemployment Benefits and Employment Service (OMB 3220-0022) that he has voluntarily left work. Completion of Form UI-45 is required to obtain or retain benefits. One response is received from each respondent. The RRB proposes to revise UI-45 by adding an item, "Reason for Leaving", at the end of the column in Section 2. This item requests the employee to provide the reason they left their prior employment. This information helps the RRB determine whether the claimant left work voluntarily and with good cause. No other changes are being proposed.

The completion time for the UI-45 is estimated at 15 minutes per response. The RRB estimates that approximately 2,900 responses are received annually. Total respondent burden is estimated at 487 hours.
